OPTIONAL REDEMPTION . . . The District reserves the right, at its option, to redeem Bonds having stated maturities on and after October 1, 2036, in whole or from time to time in part in principal amounts of \$5,000 or any integral multiple thereof, on October 1, 2035, or any date thereafter, at the par value thereof plus accrued interest to the date of redemption.

SERIAL BONDS AND/OR TERM BONDS . . . Bidders may provide that all of the Bonds be issued as serial bonds or may provide that any two or more consecutive annual principal amounts be combined into one or more term bonds. See "CONDITIONS OF THE SALE – Type of Bids and Interest Rates" below.

MANDATORY SINKING FUND REDEMPTION . . . If the successful bidder elects to alter the Maturity Schedule reflected above and convert the principal amounts of the Serial Bonds into one or more "Term Bonds", such "Term Bonds" shall be subject to mandatory redemption on the first October 1 next following the last maturity for Serial Bonds, and annually thereafter on each October 1 until the stated maturity for the Term Bonds at the redemption price of par plus accrued interest to the date of redemption. The principal amounts of the Term Bonds to be redeemed on each mandatory redemption date shall be the principal amounts that would have been due and payable in the Maturity Schedule shown above had no designation of such maturities as Term Bonds occurred.

Approximately forty-five (45) days prior to each mandatory redemption date for the Term Bonds, the Paying Agent/Registrar shall select by lot the numbers of the Term Bonds within the applicable Stated Maturity to be redeemed on the next following October 1 from moneys set aside for that purpose in the Sinking Fund (as defined in the Resolution). Any Term Bond not selected for prior redemption shall be paid on the date of its Stated Maturity.

The principal amount of the Term Bonds for a Stated Maturity required to be redeemed on a mandatory redemption date may be reduced, at the option of the District, by the principal amount of Term Bonds of like Stated Maturity which, at least fifty (50) days prior to the mandatory redemption date, shall have been acquired by the District at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation.

The final Official Statement will incorporate the mandatory redemption provisions for the Bonds in the event the successful bidder elects to convert serial maturities into one or more Term Bonds.

BOOK-ENTRY-ONLY SYSTEM . . . The District intends to utilize the Book-Entry-Only System of The Depository Trust Company ("DTC"). See "THE BONDS - Book-Entry-Only System" in the Official Statement.

PAYING AGENT/REGISTRAR . . . The initial Paying Agent/Registrar shall be UMB Bank, N.A., Houston, Texas (see "THE BONDS - Paying Agent/Registrar" in the Official Statement).

SECURITY FOR PAYMENT . . . The Bonds constitute special obligations of the District payable, both as to principal and interest, solely from and, together with the outstanding Previously Issued Bonds (defined herein), secured by a pledge of and lien on the “Pledged Revenues” (identified and defined in the Resolution) which consist of (i) the “Pledged Registration Fee”; (ii) the “Pledged Tuition Fee”; (iii) “Pledged Building Use Fee”; (iv) the “Net Revenues of the Revenue System”; (v) “Other Pledged Fees”, including the “General Fee” and the “Out of District Fee”; and (vi) any additional revenues, income or resources which may be pledged to the Bonds (see “SECURITY FOR THE BONDS” in the Preliminary Official Statement).

Further details regarding the Bonds are set forth in the Official Statement.

CONDITIONS OF THE SALE

TYPE OF BIDS AND INTEREST RATES . . . The Bonds will be sold in one block on an “All or None” basis, and at a price of not less than 101% and not greater than 106%. Bidders are invited to name the rate(s) of interest to be borne by the Bonds, provided that each rate bid must be in a multiple of 1/8 of 1% or 1/100 of 1% and the net effective interest rate must not exceed 15%. The highest rate bid may not exceed the lowest rate bid by more than 2.0% in rate. For Bonds having stated maturities on and after October 1, 2036, no reoffering yield producing a dollar price less than 98.5% for any individual maturity will be accepted. The high bidder will be required to submit reoffering yields and dollar prices prior to the award. No limitation is imposed upon bidders as to the number of rates or changes which may be used. All Bonds of one maturity must bear one and the same rate. No bids involving supplemental interest rates will be considered.

ADVANCE MODIFICATION OF PRINCIPAL AMOUNTS . . . The Maturity Schedule for the Bonds set forth above represents an estimate of the principal amount of Bonds to be sold. The District hereby reserves the right to change the Maturity Schedule, based on market conditions prior to the sale. In the event that the District elects to change the Maturity Schedule prior to the sale it will provide notice to potential bidders through PARITY. Such notice shall be considered an amendment to this Notice of Sale and Bidding Instructions.

POST BID MODIFICATION OF PRINCIPAL AMOUNTS . . . After final computation of the bids, in awarding the sale to the best bidder, the District may determine in its sole discretion, that the funds necessary to carry out the purposes for which the Bonds are to be issued may be either more or less than the proceeds of the proposed sale of all of the Bonds. Upon making such determination, the District reserves the right to adjust the principal amount of the Bonds shown on the Maturity Schedule. The principal amount of any maturity of the Bonds shall only be adjusted in \$5,000 increments and the aggregate par shall not be increased or decreased by an amount that exceeds 15% of the preliminary aggregate principal amount (rounded up to the next higher integral of \$5,000) without permission of the successful bidder. Such adjustment(s), if any, shall be made within 4 hours of the opening of the bids for the Bonds.

The successful bidder may not withdraw its bid or change the interest rates bid or the initial reoffering terms as a result of any changes made to the principal amounts within these limits. The dollar amount bid by the successful bidder will be adjusted to reflect any adjustments in the principal amount of the Bonds. The bid price for such an adjustment will reflect changes in the dollar amount of the underwriters’ discount and original issue discount/premium, if any, but will not change the selling compensation per \$1,000 of par amount of the Bonds from the selling compensation that would have been received based on the purchase price in the winning bid and the initial reoffering terms. The interest rates specified by the successful bidder for the various maturities at the initial reoffering terms will not change. The District anticipates that the final annual principal amounts and the final aggregate principal amount of the Bonds will be communicated to the successful bidder within three hours of the District’s receipt of the initial public offering prices and yields for the Bonds.

BASIS FOR AWARD . . . Subject to the District’s right to reject any or all bids and to waive any irregularities except time of filing, the sale of the Bonds will be awarded to the bidder or syndicate account manager whose name first appears on the Official Bid Form (the “Purchaser”) making a bid that conforms to the specifications herein and which produces the lowest True Interest Cost rate to the District. The True Interest Cost rate is that rate which, when used to compute the total present value as of the date of initial delivery of all debt service payments on the Bonds on the basis of semi-annual compounding, produces an amount equal to the sum of the par plus any premium of the Bonds. In the event of a bidder’s error in interest cost rate calculations, the interest rates and premium, if any, set forth in the Official Bid Form will be considered as the intended bid.

In order to provide the District with information required to be submitted to the Texas Bond Review Board pursuant to Section 1202.008, Texas Government Code, as amended, the Purchaser will be required to provide the District with a breakdown of its “underwriting spread” among the following categories: Takedown, Management Fee (if any), Legal Counsel Fee (if any) and Spread Expenses (if any).

ADDITIONAL CONDITION OF AWARD – DISCLOSURE OF INTEREST PARTY FORM 1295: New obligation of the District to receive information from winning bidder . . . Described hereinafter is the obligation of the District to receive information from the winning bidder if the bidder is not a publicly traded business entity (a “Privately Held Bidder”). Pursuant to Texas Government Code Section 2252.908 (the “Interested Party Disclosure Act”), the District may not award the Bonds to the winning bidder that is a Privately Held Bidder unless such bidder submits a Certificate of Interested Parties Form 1295 (the “Disclosure Form”) to the District as prescribed by the Texas Ethics Commission (“TEC”). In the event that a Privately Held Bidder’s bid for the Bonds is

the best bid received, the District, acting through its financial advisor, will promptly notify the winning Privately Held Bidder. That notification will serve as the conditional verbal acceptance of the bid, and will obligate the winning Privately Held Bidder to establish (unless such winning Privately Held Bidder has previously so established) an account with the TEC and to promptly file a completed Disclosure Form, as described below, in order to complete the award.

PROCESS FOR COMPLETING THE DISCLOSURE FORM . . . Reference should be made the Disclosure Form, the rules of the Texas Ethics Commission with respect to the Disclosure Form (the “Disclosure Rules”) and the Interested Party Disclosure Act. Instructional information regarding such matters are set forth at <https://www.ethics.state.tx.us/filinginfo/videos/Form1295/CreateCertificate/CreateCertificate.html>. For purposes of completing the Disclosure Form the Initial Purchaser will need the following information: (a) item 2 – name of governmental entity: **Washington Co JCD** and (b) item 3 – the identification number assigned to this contract by the District: **Washington Co JCD Bonds 2026**, and a description of the services to be provided under the contract: **Purchase of Bonds**. The Interested Party Disclosure Act and the Disclosure Rules require a business entity contracting with the District to complete the form at the TEC Internet “portal” that may be accessed at the url set forth above, and then print, sign and deliver the Disclosure Form in physical form to the District. Following the award of the Bonds, the District will acknowledge receipt of the completed Disclosure Form through the TEC website, as required by the law.

PREPARATIONS AND FOR COMPLETION, AND THE SIGNIFICANCE OF, THE REPORTED INFORMATION . . . In accordance with the Interested Party Disclosure Act, the information reported by the winning Privately Held Bidder MUST BE ACKNOWLEDGED and submitted to the District. No exceptions may be made to that requirement. The Interested Party Disclosure Act provides that such acknowledgment is made “under oath and under penalty of perjury.” Consequently, a winning Privately Held Bidder should take appropriate steps prior to completion of the Disclosure Form to familiarize itself with the Interested Party Disclosure Act, the Disclosure Rules and the Disclosure Form. Time will be of the essence in submitting the form to the District, and no award will be made by the District of the Bonds until a completed Disclosure Form is received, if applicable. The District reserves the right to reject any bid that is not accompanied by a completed Disclosure Form, if required, as described herein. Neither the District nor its consultants have the ability to verify the information included in a Disclosure Form, and neither have an obligation nor undertake responsibility for advising any winning Privately Held Bidder with respect to the proper completion of the Disclosure Form.

Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form, if required, promptly upon notification from the District that its bid is the conditional winning bid. Instructional videos on logging in and creating a Disclosure Form are provided on the TEC's website at <https://www.ethics.state.tx.us/filinginfo/videos/Form1295/FirstLogin-Business/Form1295Login-Business.html>.

STATUTORY REPRESENTATIONS AND COVENANTS . . . By submitting a bid, each bidder makes the following representations and, if its bid is accepted, covenants pursuant to Chapters 2252, 2271, 2274, and 2276, Texas Government Code, as heretofore amended (the “Government Code”). As used in therein, “affiliate” means an entity that controls, is controlled by, or is under common control with the bidder within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit. If a bidder’s bid is accepted, then liability for breach of any such representation or covenant during the term of the contract for purchase and sale of the Bonds created thereby (the “Purchase Contract”) shall survive until barred by the applicable statute of limitations and shall not be liquidated or otherwise limited by any provision of the bid or this Notice of Sale and Bidding Instructions, notwithstanding anything herein or therein to the contrary.

Not a Sanctioned Company. Each bidder represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Government Code. The foregoing representation excludes each bidder and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

No Boycott of Israel. Each bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and, if its bid is accepted, will not boycott Israel during the term of the Purchase Contract. As used in the foregoing verification, “boycott Israel” has the meaning provided in Section 2271.001, Government Code.

No Discrimination Against Firearm Entities. Each bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and, if its bid is accepted, will not discriminate against a firearm entity or firearm trade association during the term of the Purchase Contract. As used in the foregoing verification, “discriminate against a firearm entity or firearm trade association” has the meaning provided in Section 2274.001(3), Government Code.

No Boycott of Energy Companies. Each bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and, if its bid is accepted, will not boycott energy companies during the term of the Purchase Contract. As used in the foregoing verification, “boycott energy companies” has the meaning provided in Section 2276.001(1), Government Code.

Standing Letter Requirement. Each prospective bidder must have a standing letter on file with the Municipal Advisory Council of Texas and the Texas Attorney General's Office as required by the All Bond Counsel Letter of the Texas Attorney General dated November 1, 2023. Bidder agrees that it will not rescind its standing letter at any time before the delivery of the Bonds unless same is immediately replaced with a standing letter meeting the requirements of the above-described All Bond Counsel Letter. Upon request of the District, each bidder shall provide additional written certifications to the District and Bond Counsel (which may be by email) to the effect that the Texas Attorney General may continue to rely on the bidder's standing letter and statutory representations and covenants contained in the Purchase Contract through the closing date (currently scheduled for March 18, 2026) (the "Bringdown Verification"). The District reserves the right, and each bidder hereby expressly authorizes the District, to provide such Bringdown Verification to the Texas Attorney General.

The District reserves the right, in its sole discretion, to reject any bid from a bidder that does not have such standing letter on file as of the deadline for bids for the Bonds. In the event that a bidder does not have such standing letter on file at the time of submission of a bid, the bidder agrees to file such standing letter with the Municipal Advisory Council of Texas and the Texas Attorney General's Office by the earlier of: (a) two (2) hours after submitting its bid, and (b) the deadline for bids for the Bonds.

GOOD FAITH DEPOSIT . . . A Good Faith Deposit, payable to the "Washington County Junior College District," in the amount of \$1,110,000, is required. Such Good Faith Deposit shall be a wire transfer, bank cashier's check or certified check (which is to be retained uncashed by the District pending the Purchaser's compliance with the terms of the bid and this Notice of Sale and Bidding Instructions). The Good Faith Deposit may be provided to the District via wire transfer (the District will provide wire instructions to the Purchaser), or in the form of a certified or cashier's check. The Good Faith Deposit will be retained by the District and: (a) (i) if the Purchaser utilizes a cashier's check as its Good Faith Deposit, said cashier's check will be returned to the Purchaser after delivery of the Bonds, (ii) if the Purchaser utilizes a wire transfer method for its Good Faith Deposit, said wire transfer will be applied to the purchase price at the delivery of the Bonds or (b) will be retained by the District as liquidated damages if the Purchaser defaults with respect to its purchase of the Bonds in accordance with its bid or (c) will be returned to the Purchaser if the Bonds are not issued by the District for any reason which does not constitute a default by the Purchaser. No interest will be allowed on the Good Faith Deposit.

DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS

CUSIP NUMBERS . . . It is anticipated that CUSIP identification numbers will appear on the Bonds, but neither the failure to print or type such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Purchaser to accept delivery of and pay for the Bonds in accordance with the terms of this Notice of Sale and Bidding Instructions and the terms of the Official Bid Form. All expenses in relation to the printing or typing of CUSIP numbers on the Bonds shall be paid by the District; provided, however, that the CUSIP Service Bureau charge for the assignment of the numbers shall be the responsibility of and shall be paid for by the Purchaser.

DELIVERY OF BONDS . . . Delivery will be accomplished by the issuance of one initial bond (the "Initial Bond"), either in typed or printed form, in the aggregate principal amount of \$55,500,000*, payable in stated installments to the Purchaser, signed by the Pricing Officer, approved by the Attorney General, and registered and signed manually or by facsimile by the Comptroller of Public Accounts. Upon delivery of the Initial Bond, it shall be immediately cancelled and one definitive Bond for each maturity will be registered and delivered only to Cede & Co., and deposited with DTC in connection with DTC's Book-Entry-Only System. Delivery will be at the principal office of the Paying Agent/Registrar. Payment for the Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The Purchaser will be given six business days' notice of the time fixed for delivery of the Bonds. It is anticipated that delivery of the Bonds can be made on or about March 18, 2026, and it is understood and agreed that the Purchaser will accept delivery and make payment for the Bonds by 10:00 AM, Central Time, on March 18, 2026, or thereafter on the date the Bonds are tendered for delivery, up to and including April 1, 2026. If for any reason the District is unable to make delivery on or before April 1, 2026, the District shall immediately contact the Purchaser and offer to allow the Purchaser to extend its offer for an additional thirty days. If the Purchaser does not elect to extend its offer within six days thereafter, then its Good Faith Deposit will be returned, and both the District and the Purchaser shall be relieved of any further obligation. In no event shall the District be liable for any damages by reason of its failure to deliver the Bonds, provided such failure is due to circumstances beyond the District's reasonable control.

CONDITIONS TO DELIVERY . . . The obligation of the Purchaser to take up and pay for the Bonds is subject to the Purchaser's receipt of (a) the legal opinion of Norton Rose Fulbright US LLP, Dallas, Texas, Bond Counsel for the District ("Bond Counsel"), (b) the District's no-litigation certificate, and (c) the District's certification as to the Official Statement, all as further described in the Official Statement.

* Preliminary, subject to change (see "CONDITIONS OF THE SALE – Post Bid Modification of Principal Amounts").

ESTABLISHMENT OF ISSUE PRICE (HOLD-THE-OFFERING PRICE RULE WILL APPLY IF COMPETITIVE SALE REQUIREMENTS ARE NOT SATISFIED) . . .

(a) The winning bidder shall assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District by Closing an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the District and Bond Counsel. All actions to be taken by the District under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the District by the District’s municipal advisor identified herein and any notice or report to be provided to the District may be provided to the District’s municipal advisor.

(b) The District intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “competitive sale requirements”) because:

- (i) the District shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (ii) all bidders shall have an equal opportunity to bid;
- (iii) the District may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (iv) the District anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

(c) In the event that the competitive sale requirements are not satisfied, the District shall so advise the winning bidder. In such event, the District intends to treat the initial offering price to the public as of the sale date of each maturity of the Bonds as the issue price of that maturity (the “hold-the-offering-price rule”). The District shall promptly advise the winning bidder, at or before the time of award of the Bonds, if the competitive sale requirements were not satisfied, in which case the hold-the-offering-price rule shall apply to the Bonds. Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied and the hold-the-offering-price rule applies. In the event that the competitive sale requirements are not satisfied, the issue price certificate shall be modified as necessary in the reasonable judgment of Bond Counsel and the District.

(d) By submitting a bid, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Bonds to the public on or before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to which the hold-the-offering-price rule applies to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (i) the close of the fifth (5th) business day after the sale date; or
- (ii) the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder shall promptly advise the District when the underwriters have sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(e) The District acknowledges that, in making the representation set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail or other third-party distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail or other third-party distribution agreement and the related pricing wires. The District further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail or other third-party distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

(f) By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail or other third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party retail or other distribution agreement, as applicable, to comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail or other third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail or other third-party distribution agreement to comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

(g) Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this section of the Notice of Sale:

- (i) "public" means any person other than an underwriter or a related party,
- (ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail or other third-party distribution agreement participating in the initial sale of the Bonds to the public),

CERTIFICATION OF OFFICIAL STATEMENT . . . At the time of payment for and initial delivery of the Bonds, the District will execute and deliver to the Purchaser a certificate in the form described in the Official Statement (see "OTHER INFORMATION - Certification of the Official Statement" in the Preliminary Official Statement).

In the event the Bonds are qualified for municipal bond insurance, and the Initial Purchaser desires to purchase such insurance, the cost therefor will be paid by the Initial Purchaser. Any fees to be paid to the rating agencies as a result of said insurance will be paid by the District. It will be the responsibility of the Initial Purchaser to disclose the existence of insurance, its terms and the effect thereof with respect to the reoffering of the Bonds. Any rating downgrade by S&P of the bond insurance provider after the bid opening shall not relieve the Initial Purchaser of its obligation under the heading "DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS – Delivery of Bonds".

**WASHINGTON COUNTY JUNIOR COLLEGE DISTRICT
COMBINED FEE REVENUE BONDS, SERIES 2026**

ISSUE PRICE CERTIFICATE

The undersigned, on behalf of _____ (the "Purchaser"), hereby certifies as set forth below with respect to the sale of the above-captioned bonds (the "Bonds") of the Washington County Junior College District (the "Issuer").

1. Reasonably Expected Initial Offering Price.

(a) As of the Sale Date, the reasonably expected initial offering prices of the Bonds to the Public by the Purchaser are the prices listed in Schedule A (the "Expected Offering Prices"). The Expected Offering Prices are the prices for the Maturities of the Bonds used by the Purchaser in formulating its bid to purchase the Bonds. Attached as Schedule B is a true and correct copy of the bid provided by the Purchaser to purchase the Bonds.

- (b) The Purchaser was not given the opportunity to review other bids prior to submitting its bid.
- (c) The bid submitted by the Purchaser constituted a firm offer to purchase the Bonds.

2. Bond Insurance.

The Purchaser (has)(has not) purchased bond insurance for the Bonds. The bond insurance, if any, has been purchased from _____ (the "Insurer") for a premium cost of \$ _____ (net of any nonguarantee cost, e.g., rating agency fees). The amount of such cost is set forth in the Insurer's commitment and is separately stated from all other fees or charges payable to the Insurer. The premium does not exceed a reasonable charge for the transfer of credit risk taking into account payments charged by guarantors in comparable transactions (including transactions in which a guarantor has no involvement other than as a guarantor). The present value of the debt service savings expected to be realized as a result of such insurance, discounted at a rate equal to the yield on the Bonds which results after recovery of the insurance premium, exceeds the present value of the bond insurance premium.

3. Defined Terms.

(a) *Maturity* means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.

(b) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(c) *Sale Date* means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is _____, 2026.

(d) *Underwriter* means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail or other third-party distribution agreement participating in the initial sale of the Bonds to the Public).

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents the Purchaser's interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Certificate as to Tax Exemption with respect to the Bonds and with respect to compliance with the federal income tax rules affecting the Bonds, and by Norton Rose Fulbright US LLP in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Bonds.
