AWARD OF THE CONTRACTUAL OBLIGATIONS . . . The City Council will take action to award the Contractual Obligations (or reject all bids) at a meeting scheduled to convene at 6:00 PM, CDT, on the date of the bid opening, and, in the event the City accepts a bid for the Contractual Obligations, will adopt an ordinance authorizing the Contractual Obligations and approving the Official Statement (the "Contractual Obligation Ordinance").

THE CONTRACTUAL OBLIGATIONS

DESCRIPTION . . . The Contractual Obligations will be dated May 1, 2026. Interest will accrue from the date of initial delivery ("Delivery Date"), expected to be June 9, 2026 and will be payable on February 15, 2027, and each August 15 and February 15 thereafter until the earlier of maturity or prior redemption. The Contractual Obligations will be issued only in fully registered form in any integral multiple of \$5,000 for any one maturity. The Contractual Obligations will mature on February 15 in each of the years 2027 through 2036 as follows:

MATURITY SCHEDULE*

<u>Year</u>	<u>Principal Amount</u>
2027	\$ 545,000
2028	615,000
2029	640,000
2030	670,000
2031	695,000
2032	720,000
2033	740,000
2034	765,000
2035	790,000
2036	820,000

OPTIONAL REDEMPTION . . . The City reserves the right, at its option, to redeem Contractual Obligations having stated maturities on February 15, 2036, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof, on February 15, 2035, or any date thereafter, at the par value thereof plus accrued interest to the date fixed for redemption.

ADJUSTMENT OF PRINCIPAL AMOUNTS AND/OR TYPES OF BIDS . . . Prior to 2:00 PM, CDT on the business day before the bids are due, the City may, in its sole discretion, adjust the principal amount set forth above (the "Maturity Schedule") and/or the type of bid required on the Contractual Obligations. HilltopSecurities, as Municipal Advisor to the City, will give notice of any such adjustment by PARITY. Should such adjustments be made, a revised Official Bid Form will be made available through i-Deal Prospectus and PARITY. For purposes of this paragraph, the term "Maturity Schedule" shall include any adjustments to the principal amounts shown above including the total par amount so made by the City by posting to PARITY. Also see "CONDITIONS OF THE SALE" herein.

After final computation of the Bids, in awarding the sale to the best bidder, the City may determine, in its sole discretion, that the funds necessary to carry out the purposes for which the Contractual Obligations are to be issued may be either more or less than the proceeds of the proposed sale of all of the Contractual Obligations. Upon making such determination, the City reserves the right to adjust the principal amount of the Contractual Obligations (including amortization installments in the case of Term Contractual Obligations, if any) shown on the Maturity Schedule, such amount not to exceed 30% per maturity. THE SUCCESSFUL BIDDER MAY NOT WITHDRAW ITS BID OR CHANGE THE INTEREST RATES BID OR THE INITIAL REOFFERING PRICES AS A RESULT OF ANY CHANGES MADE TO THE REVISED AMOUNTS WITHIN THESE LIMITS. The dollar amount bid by the successful bidder will be adjusted to reflect changes in the aggregate principal amounts of the Contractual Obligations. Such adjusted bid price will reflect changes in the dollar amount of the underwriter's discount and the original issue discount/premium, if any, but will not change the selling compensation per \$1,000.

In the event of any adjustment of the maturity schedule for the Contractual Obligations as described herein, no rebidding or recalculation of the proposals submitted will be required or permitted. Any such adjustment of the aggregate principal amount of the Contractual Obligations and/or the maturity schedule for the Contractual Obligations made by the City or its Municipal Advisor shall be subsequent to the award of the Contractual Obligations to the winning bidder as determined pursuant to "CONDITIONS OF THE SALE – Basis for Award" herein and shall not affect such determination. The successful Bidder may not withdraw its bid as a result of any changes made within the aforementioned limits.

* Preliminary, subject to change. See "THE CONTRACTUAL OBLIGATIONS - Adjustment of Principal Amounts and/or Types of Bids" herein.

SERIAL CONTRACTUAL OBLIGATIONS AND/OR TERM CONTRACTUAL OBLIGATIONS . . . Bidders may provide that all of the Contractual Obligations be issued as Serial Contractual Obligations or may provide that any two or more consecutive annual principal amounts be combined into one or more term Contractual Obligations (the "Term Contractual Obligations").

MANDATORY SINKING FUND . . . If the successful bidder elects to alter the Maturity Schedule reflected above and convert principal amounts of the Serial Contractual Obligations into Term Contractual Obligations, such Term Contractual Obligations shall be subject to mandatory redemption on the first February 15 next following the last maturity for Serial Contractual Obligations, and annually thereafter on each February 15 until the stated maturity for the Term Contractual Obligations at the redemption prices of par plus accrued interest to the date of redemption. The principal amounts of the Term Contractual Obligations to be redeemed on each mandatory redemption date shall be the principal amounts that would have been due and payable in the Maturity Schedule shown above had no conversion to Term Contractual Obligations occurred. Approximately forty-five (45) days prior to each mandatory redemption date, the Paying Agent/Registrar shall select by lot the Term Contractual Obligations to be redeemed and cause a notice of redemption to be given in the manner provided in the Preliminary Official Statement.

The principal amount of the Term Contractual Obligations required to be redeemed pursuant to the operation of such mandatory redemption may be reduced, at the option of the City, by the principal amount of the Term Contractual Obligations of the same maturity which, at least fifty (50) days prior to the mandatory redemption date, (i) shall have been acquired by the City at a price not exceeding the principal amount of such Term Contractual Obligations plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation or (ii) shall have been redeemed pursuant to the optional redemption provisions and not theretofore credited against a mandatory redemption requirement.

The final Official Statement will incorporate the mandatory redemption provisions for the Contractual Obligations in the event the successful bidder elects to convert serial maturities into one or more Term Contractual Obligations.

BOOK-ENTRY-ONLY SYSTEM . . . The City intends to utilize the Book-Entry-Only System of The Depository Trust Company, New York, New York ("DTC"). See "THE BONDS AND CONTRACTUAL OBLIGATIONS– Book-Entry-Only System" in the Preliminary Official Statement.

PAYING AGENT/REGISTRAR . . . The initial Paying Agent/Registrar shall be The Bank of New York Mellon Trust Company, N.A., Dallas, Texas (see "THE BONDS AND CONTRACTUAL OBLIGATIONS - Paying Agent/Registrar" in the Preliminary Official Statement).

SOURCE OF PAYMENT . . . The Contractual Obligations are direct obligations of the City, payable from the levy and collection of a direct and continuing annual ad valorem tax, within the limits prescribed by law, on all taxable property located within the City, as provided in the Contractual Obligation Ordinance.

Further details regarding the Contractual Obligations are set forth in the Preliminary Official Statement.

CONDITIONS OF THE SALE

TYPE OF BIDS AND INTEREST RATES . . . The Contractual Obligations will be sold in one block, on an "All or None" basis, and at a price of not less than 101.00% and not more than 110.00% of the principal amount plus no accrued interest from the Delivery Date of the Contractual Obligations. Bidders are invited to name the rate(s) of interest to be borne by the Contractual Obligations, provided that each rate bid must be in a multiple of 1/8 of 1% or 1/100 of 1% and the net effective interest rate must not exceed 15%. The highest rate bid may not exceed the lowest rate bid by more than 2.5% in rate. No coupon rate greater than 5% will be accepted. **For Contractual Obligations having stated maturities on and after February 15, 2036, no reoffering yield producing a dollar price less than 97.00 for any individual maturity will be accepted. The high bidder will be required to submit reoffering yields and dollar prices prior to award.** No limitation is imposed upon bidders as to the number of rates or changes which may be used. All Contractual Obligations of one maturity must bear one and the same rate. No bids involving supplemental interest rates will be considered. Each bidder shall state in the bid the total interest cost in dollars and the effective interest rate determined thereby (calculated in the manner prescribed by Chapter 1204, Texas Government Code), which shall be considered informative only and not as a part of the bid.

BASIS FOR AWARD . . . The sale of the Contractual Obligations will be awarded to the bidder (the "Initial Purchaser" or the "Purchaser") making a bid that conforms to the specifications herein and which produces the lowest True Interest Cost rate to the City. The True Interest Cost rate is that rate which, when used to compute the total present value as of the Delivery Date of all debt service payments on the Contractual Obligations on the basis of semi-annual compounding, produces an amount equal to the sum of the par value of the Contractual Obligations plus any premium bid. In the event of a bidder's error in interest cost rate calculations, the interest rates, and premium, if any, set forth in the Official Bid Form will be considered as the official bid.

GOOD FAITH DEPOSIT . . . A Good Faith Deposit, payable to the "City of Wylie, Texas", in the amount of \$140,000.00, is required. Such Good Faith Deposit shall be a bank cashier's check or certified check, which is to be retained uncashed by the City pending the Initial Purchaser's compliance with the terms of the bid and the Notice of Sale and Bidding Instructions. The Good Faith Deposit may accompany the Official Bid Form or it may be submitted separately. If submitted separately, it shall be made available to the City prior to the opening of the bids and shall be accompanied by instructions from the bank on which drawn which authorize its use as a Good Faith Deposit by the Initial Purchaser who shall be named in such instructions. **The Good Faith Deposit of the Initial Purchaser will be returned to the Initial Purchaser upon payment for the Contractual Obligations.** No interest will be allowed

on the Good Faith Deposit. In the event the winning bidder should fail or refuse to take up and pay for the Contractual Obligations in accordance with the bid, or if it is determined after the acceptance of its bid by the City that the Initial Purchaser was found not to satisfy the requirements described under the captions "CONDITIONS OF THE SALE – Representation Regarding Texas Attorney General Standing Letter and Bringdown Verification" and " – Verifications of Statutory Representations and Covenants" below or the Attorney General refuses to accept any previously filed verification of the winning bidder, and as a result the Texas Attorney General will not deliver its approving opinion of the Contractual Obligations, then said check shall be cashed and accepted by the City as full and complete liquidated damages. The checks accompanying bids other than the winning bid will be returned immediately after the bids are opened, and an award of the Contractual Obligations has been made.

OBLIGATION OF THE CITY TO RECEIVE INFORMATION FROM WINNING BIDDER . . . Described hereinafter is the obligation of the City to receive information from the winning bidder if the bidder is not a publicly traded business entity or a wholly owned subsidiary of a publicly traded business entity (a "Privately Held Bidder"). Pursuant to Texas Government Code Section 2252.908 (the "Interested Party Disclosure Act"), the City may not award the Contractual Obligations to a winning bidder which is a Privately Held Bidder unless such party submits a Certificate of Interested Parties Form 1295 (the "Disclosure Form") to the City as prescribed by the Texas Ethics Commission ("TEC"). In the event that a Privately Held Bidder's bid for the Contractual Obligations is the best bid received, the City, acting through its Municipal Advisor, will promptly notify the winning Privately Held Bidder. That notification will serve as the City's conditional verbal acceptance of the bid, and will obligate the winning Privately Held Bidder to establish (unless such winning Privately Held Bidder has previously so established) an account with the TEC, and promptly file a completed Disclosure Form, as described below, in order to allow the City to complete the award.

Reference should be made to the Disclosure Form, the rules of the TEC with respect to the Disclosure Form (the "Disclosure Rules") and the Interested Party Disclosure Act. Instructional information regarding such matters are set forth at <https://www.ethics.state.tx.us/filinginfo/1295/>. For purposes of completing the Disclosure Form, a Privately Held Bidder will need the following information: (a) item 2 – name of the governmental entity (City of Wylie, Texas) and (b) item 3 – the identification number assigned to this contract by the City (PPFCO's 2026) and description of the goods or services (Purchase of Contractual Obligations). The Interested Party Disclosure Act and the Disclosure Rules require a non-publicly traded business entity contracting with the City to complete the Disclosure Form electronically at <https://www.ethics.state.tx.us/filinginfo/1295/>, print, sign, and deliver by email, the certified Disclosure Form that is generated by the TEC's "electronic portal" to the City (Melissa Brown, melissa.brown@wylietetexas.gov) with a copy to Bond Counsel (Robert Dransfield, robert.dransfield@nortonrosefulbright.com), with the original to be delivered to the City (Attn: Melissa Brown, 300 Country Club Road, Wylie, Texas 75098). Following the award of the Contractual Obligations, the City will, if required, acknowledge the receipt of the completed Disclosure Form through the TEC website, as required by law. The Disclosure Form must be sent by email to the City (Melissa Brown, melissa.brown@wylietetexas.gov) with a copy to the City's Bond Counsel (Robert Dransfield, robert.dransfield@nortonrosefulbright.com), as soon as possible following the notification of conditional verbal acceptance and prior to the final written award. Upon receipt of the final written award, the Disclosure Form, if required, with original signatures must be submitted by mail to Melissa Brown, 300 Country Club Road, Wylie, Texas 75098.

Preparations for completion, and the significance of, the reported information. The Interested Party Disclosure Act and the Disclosure Form provides that such acknowledgment is made "under penalty of perjury." **Consequently, a Privately Held Bidder should take appropriate steps prior to completion of the Disclosure Form to familiarize itself with the Interested Party Disclosure Act, the Disclosure Rules and the Disclosure Form.** Time will be of the essence in submitting the form to the City, and no final award will be made by the City regarding the sale of the Contractual Obligations until a completed Disclosure Form from a winning Privately Held Bidder is received. If applicable, the City reserves the right to reject any bid that does not satisfy the requirement of a completed Disclosure Form, as described herein. Neither the City nor its consultants have the ability to verify the information included in a Disclosure Form, and neither party has an obligation nor undertakes responsibility for advising any bidder with respect to the proper completion of the Disclosure Form. Consequently, an entity intending to bid on the Contractual Obligations should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form, if required, promptly upon notification from the City that its bid is the conditional winning bid.

VERIFICATIONS OF STATUTORY REPRESENTATIONS AND COVENANTS . . . By submission of a bid for the Contractual Obligations, each bidder makes the following representations and covenants pursuant to Chapters 2252, 2271, 2274, and 2276, Texas Government Code (the "Government Code"), as heretofore amended. As used herein, "affiliate" means an entity that controls, is controlled by, or is under common control with the bidder within the meaning of SEC Rule 405, 17 C.F.R. §230.405, and exists to make a profit. If the bidder's bid is accepted, then liability for breach of any such verification during the term of the contract for purchase and sale of the Contractual Obligations created thereby (the "Agreement") shall survive until barred by the applicable statute of limitations and shall not be liquidated or otherwise limited by any provision of the bid or this Notice of Sale and Bidding Instructions, notwithstanding anything herein or therein to the contrary.

Not a Sanctioned Company . . . Each bidder represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153, Government Code, or Section 2270.0201, Government Code. The foregoing representation excludes the bidder and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

No Boycott of Israel . . . Each bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and, if its bid is accepted, will not boycott Israel during the term of the Agreement. As used in the foregoing verification, “boycott Israel” has the meaning provided in Section 2271.001, Government Code.

No Discrimination Against Firearm Entities . . . Each bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and, if its bid is accepted, will not discriminate against a firearm entity or firearm trade association during the term of the Agreement. As used in the foregoing verification, “discriminate against a firearm entity or firearm trade association” has the meaning provided in Section 2274.001(3), Government Code.

No Boycott of Energy Companies . . . Each bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and, if its bid is accepted, will not boycott energy companies during the term of the Agreement. As used in the foregoing verification, “boycott energy companies” has the meaning provided in Section 2276.001(1), Government Code.

REPRESENTATION REGARDING TEXAS ATTORNEY GENERAL STANDING LETTER AND BRINGDOWN VERIFICATION . . . By submission of a bid for the Contractual Obligations, each bidder represents and verifies that it is aware of the Office of the Texas Attorney General’s (the “Texas Attorney General”) All Bond Counsel Letter, dated November 1, 2023, that is available on the website of the Texas Office of the Texas Attorney General using the following link: (<https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/public-finance/ABCLetter-11-01-2023.pdf>) and the Texas Attorney General’s supplemental All Bond Counsel Letter, dated November 16, 2023, that is available on the website of the Texas Attorney General using the following link: (<https://texasattorneygeneral.gov/sites/default/files/files/divisions/public-finance/ABCLetter-11-06-2023.pdf>). Each bidder represents and verifies that the bidder has (i) on file a standing letter (“Standing Letter”) acceptable to the Texas Attorney General addressing the representations and verifications described under the heading “Verifications of Statutory Representations and Covenants,” and (ii) will, upon request of the City or Bond Counsel on behalf of the City, provide the City and Bond Counsel with a copy of its Standing Letter. Each bidder further represents and verifies that its Standing Letter remains in effect as of the date of the Agreement and that the Texas Attorney General has not notified the bidder that a determination has been made that the bidder boycotts energy companies or has a policy that discriminates against firearm entities or firearm trade associations under the laws of the State of Texas. Upon request of the City or Bond Counsel on the City’s behalf, each bidder shall provide additional written certifications to the City and Bond Counsel (which may be by email) to the effect that the Texas Attorney General may continue to rely on the Standing Letter and the statutory representations and covenants contained in the Agreement through the closing date (currently scheduled for June 9, 2026) (the “Bringdown Verification”). The City reserves the right, and each bidder hereby expressly authorizes the City, to provide such Bringdown Verification to the Texas Attorney General.

IMPACT OF BIDDING SYNDICATE ON AWARD . . . For purposes of contracting for the sale of the Contractual Obligations, the entity signing the bid form as Purchaser shall be solely responsible for the payment of the purchase price of the Contractual Obligations. The Purchaser may serve as a syndicate manager and contract under a separate agreement with other syndicate members. However, the City is not a party to that agreement and any information provided regarding syndicate managers would be for informational purposes only.

DELIVERY OF THE CONTRACTUAL OBLIGATIONS AND ACCOMPANYING DOCUMENTS

CUSIP NUMBERS . . . It is anticipated that CUSIP identification numbers will appear on the Contractual Obligations, but neither the failure to print or type such number on any Contractual Obligation nor any error with respect thereto shall constitute cause for a failure or refusal by the Initial Purchaser to accept delivery of and pay for the Contractual Obligations in accordance with the terms of this Notice of Sale and Bidding Instructions and the terms of the Official Bid Form. All expenses in relation to the printing or typing of CUSIP numbers on the Contractual Obligations shall be paid by the City; provided, however, that the CUSIP Service Bureau charge for the assignment of the numbers shall be the responsibility of and shall be paid for by the Initial Purchaser.

DELIVERY OF CONTRACTUAL OBLIGATIONS . . . Initial Delivery will be accomplished by the issuance of one Initial Contractual Obligation (the "Initial Contractual Obligation"), either in typed or printed form, in the aggregate principal amount of \$7,000,000*, payable in stated installments to the Initial Purchaser or its designee, signed by the Mayor or Mayor Pro Tem and City Secretary or Assistant City Secretary, approved by the Attorney General, and registered and manually signed by the Comptroller of Public Accounts. Upon delivery of the Initial Contractual Obligation, it shall be immediately cancelled and one definitive Contractual Obligation for each maturity will be registered and delivered only to Cede & Co., and deposited with DTC in connection with DTC's Book-Entry-Only System. Delivery will be at the corporate trust office of the Paying Agent/Registrar in Dallas, Texas. Payment for the Contractual Obligations must be made in immediately available funds for unconditional credit to the City, or as otherwise directed by the City. The Initial Purchaser will be given six business days' notice of the time fixed for delivery of the Contractual Obligations. It is anticipated that delivery of the Contractual Obligations can be made on or about June 9, 2026, and it is understood and agreed that the Initial Purchaser will accept delivery and make payment for the Contractual Obligations by 10:00 AM, CDT, on June 9, 2026, or thereafter on the date the Contractual Obligations are tendered for delivery, up to and including June 24, 2026.

If for any reason the City is unable to make delivery on or before June 24, 2026, the City shall immediately contact the Initial Purchaser and offer to allow the Initial Purchaser to extend its offer for an additional thirty days. If the Initial Purchaser does not elect to extend its offer within six days thereafter, then its Good Faith Deposit will be returned, and both the City and the Initial Purchaser shall be relieved of any further obligation. In no event shall the City be liable for any damages by reason of its failure to deliver the Contractual Obligations, provided such failure is due to circumstances beyond the City's reasonable control.

CONDITIONS TO DELIVERY . . . The obligation of the Initial Purchaser to take up and pay for the Contractual Obligations is subject to the Initial Purchaser's receipt of (a) the legal opinion of Norton Rose Fulbright US LLP ("Bond Counsel"), (b) the no-litigation certificate, and (c) the certification as to the Official Statement, all as further described in the Preliminary Official Statement.

ESTABLISHMENT OF ISSUE PRICE (HOLD-THE-OFFERING PRICE RULE WILL APPLY IF COMPETITIVE SALE REQUIREMENTS ARE NOT SATISFIED) . . .

- (a) The winning bidder shall assist the City in establishing the issue price of the Contractual Obligations and shall execute and deliver to the City by Closing an "issue price" or similar certificate setting forth the reasonably expected initial offering price to the public, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the City and Bond Counsel. All actions to be taken by the City under this Notice of Sale and Bidding Instructions to establish the issue price of the Contractual Obligations may be taken on behalf of the City by the City's municipal advisor identified herein and any notice or report to be provided to the City may be provided to the City's municipal advisor.
- (b) The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Contractual Obligations) will apply to the initial sale of the Contractual Obligations (the "competitive sale requirements") because:
 - (1) the City shall disseminate this Notice of Sale and Bidding Instructions to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
 - (2) all bidders shall have an equal opportunity to bid;
 - (3) the City may receive bids from at least three underwriters of municipal Contractual Obligations who have established industry reputations for underwriting new issuances of municipal Contractual Obligations; and
 - (4) the City anticipates awarding the sale of the Contractual Obligations to the bidder who submits a firm offer to purchase the Contractual Obligations at the highest price (or lowest interest cost), as set forth in this Notice of Sale and Bidding Instructions.

* Preliminary, subject to change. See "THE CONTRACTUAL OBLIGATIONS - Adjustment of Principal Amounts and/or Types of Bids" herein.

Any bid submitted pursuant to this Notice of Sale and Bidding Instructions shall be considered a firm offer for the purchase of the Contractual Obligations, as specified in the bid.

- (c) In the event that the competitive sale requirements are not satisfied, the City shall so advise the winning bidder. In such event, the City intends to treat the initial offering price to the public as of the sale date of each maturity of the Contractual Obligations as the issue price of that maturity (the "hold-the-offering-price rule"). The City shall promptly advise the winning bidder, at or before the time of award of the Contractual Obligations, if the competitive sale requirements were not satisfied, in which case the hold-the-offering-price rule shall apply to the Contractual Obligations. Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied and the hold-the-offering-price rule applies. In the event that the competitive sale requirements are not satisfied, the issue price certificate shall be modified as necessary in the reasonable judgment of Bond Counsel and the City.
- (d) By submitting a bid, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Contractual Obligations to the public on or before the date of award at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Contractual Obligations, that the underwriters will neither offer nor sell unsold Contractual Obligations of any maturity to which the hold-the-offering-price rule applies to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:
 - (1) the close of the fifth (5th) business day after the sale date; or
 - (2) the date on which the underwriters have sold at least 10% of that maturity of the Contractual Obligations to the public at a price that is no higher than the initial offering price to the public.

The winning bidder shall promptly advise the City when the underwriters have sold 10% of that maturity of the Contractual Obligations to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

- (e) The City acknowledges that, in making the representation set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Contractual Obligations to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail or other third-party distribution agreement that was employed in connection with the initial sale of the Contractual Obligations to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail or other third-party distribution agreement and the related pricing wires. The City further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail or other third-party distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Contractual Obligations.

CERTIFICATION OF PRELIMINARY OFFICIAL STATEMENT . . . At the time of payment for and Initial Delivery of the Contractual Obligations, the City will execute and deliver to the Initial Purchaser a certificate in the form set forth in the Preliminary Official Statement under the caption "OTHER INFORMATION – Certification of the Official Statement".

CHANGE IN TAX EXEMPT STATUS . . . At any time before the Contractual Obligations are tendered for delivery, the Initial Purchaser may withdraw its bid if the interest received by private holders on obligations of the same type and character shall be declared to be includable in gross income under present federal income tax laws, either by ruling of the Internal Revenue Service or by a decision of any Federal court, or shall be declared taxable or be required to be taken into account in computing any federal income taxes, by the terms of any federal income tax law enacted subsequent to the date of this Notice of Sale and Bidding Instructions.

The City agrees to cooperate with the Initial Purchaser, at the Initial Purchaser's written request and expense, in registering the Contractual Obligations or obtaining an exemption from registration in any state where such action is necessary, provided, however, that the City shall not be obligated to qualify as a foreign corporation or to execute a general or special consent to service of process in any such jurisdiction.

NOT AN OFFER TO SELL . . . The City will furnish to the Initial Purchaser, acting through a designated senior representative, in accordance with instructions received from the Initial Purchaser, within seven (7) business days from the sale date, copies of the final Official Statement in such quantity and in the formats as the Initial Purchaser shall request in order for the Initial Purchaser to comply with Section (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board; provided, however, that the cost of any Official Statements in excess of 100 shall be prepared and distributed at the cost of the Initial Purchaser. The Initial Purchaser shall be responsible for providing in writing the initial reoffering prices and other terms, if any, to the Municipal Advisor by the close of the next business day after the award. COMPLIANCE WITH PRIOR UNDERTAKINGS . . . During the last five years, the City believes it has complied in all material respects with its previous continuing disclosure undertakings, entered into pursuant to the Rule, except as described in the Official Statement under "CONTINUING DISCLOSURE OF INFORMATION – Compliance with Prior Undertakings".
