All bids which are submitted electronically via PARITY pursuant to the procedures described below shall be deemed to constitute a "Proposal for Notes" and shall be deemed to incorporate by reference all of the terms and conditions of this Notice of Note Sale. PROCEDURES REGARDING ELECTRONIC BIDDING. Bids may be submitted electronically via PARITY in accordance with this notice, until 11:00 a.m., New Jersey time, on the Bid Date. To the extent any instructions or directions set forth in PARITY conflict with this Notice of Note Sale, the terms of this Notice of Note Sale shall control. For further information about PARITY, potential bidders may contact PARITY at i-Deal at 1359 Broadway, 2nd Floor, New York, New York 10018, telephone (212) 849-5021. The County may, but is not obligated to, acknowledge its acceptance in writing of any bid submitted electronically via PARITY. In the event that a bid for the Notes is submitted via PARITY, the bidder further agrees that:

1. The County may regard the electronic transmission of the bid through PARITY (including information about the principal amount of the Notes, the price bid for the Notes and any other information included in such transmission) as though the same information were submitted on the "Proposal for Notes" provided by the County and executed by a duly authorized signatory of the bidder. If a bid submitted electronically by PARITY is accepted by the County, the terms of the "Proposal for Notes" and this Notice of Note Sale and the information that is electronically transmitted through PARITY shall form a contract, and the Successful Bidder or Bidders shall be bound by the terms of such contract.
2. PARITY is not an agent of the County, and the County shall have no liability whatsoever based on any bidder's use of PARITY, including but not limited to any failure by PARITY to correctly or timely transmit information provided by the County or information provided by the bidder.
3. The County may choose to discontinue use of electronic bidding via PARITY by issuing a notification to such effect via TM3 News Services, or by other available means, no later than 3:00 p.m., New Jersey time, on the last business date prior to the Bid Date.
4. Once the bids are communicated electronically via PARITY to the County as described above, each bid will constitute a Proposal for Notes and shall be deemed to be an irrevocable offer to purchase the Notes on the terms provided in this Notice of Note Sale. For purposes of submitting all Proposals for Notes, whether by facsimile, electronic mail, or electronically via PARITY, the time as maintained on PARITY shall constitute the official time.
5. Each Bidder shall be solely responsible to make necessary arrangements to access PARITY for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Note Sale. Neither the County nor i-Deal shall have any duty or obligation to provide or assure access to any bidder, and neither the County nor i-Deal shall be responsible for the proper operation of, or have any liability for

- c. The identity of the underwriters if the successful bidder is a part of a group or syndicate.

Concurrently with the delivery of the Notes, the Director of Finance/County Treasurer will deliver to the purchaser of the Notes a certificate stating that, to the best of said official's knowledge, the Note Preliminary Official Statement did not as of

its date and as of the sale date, and the Note Final Official Statement does not, as of its date and the date of delivery of the Notes, contain an untrue statement of a material fact or omit to state a material fact required to be included therein for the purpose for which the Note Preliminary Official Statement or the Note Final Official Statement is to be used or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, providing such certificate shall not include consideration of information supplied by, or which should have been supplied by, the successful bidder for the Notes.

The County will undertake to provide notice of material events pursuant to the limited secondary market disclosure requirements under Rule 15c2-12 for issues with a maturity of 18 months or less. By submitting this bid, we confirm that we have an established industry reputation for underwriting new issuances of municipal bonds.]

[Applicable to bidders purchasing for its own account and not with a view to distribution or resale - We will not participate in the initial sale of the Notes to the public.]

APPENDIX A  
Establishment of Issue Price  
(10% Test to Apply if Competitive  
Sale Requirements are Not Satisfied)

(a) The winning bidder shall assist the County of Union, New Jersey (the "Issuer") in establishing the issue price of the Notes and shall execute and deliver to the Issuer at closing an "issue price" or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Notes, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit I, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder(s), the Issuer and Bond Counsel.

(b) The Issuer intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Notes) will apply to the initial sale of the Notes (the "competitive sale requirements") because:

- (i) the Issuer shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (ii) all bidders shall have an equal opportunity to bid;
- (iii) the Issuer may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (iv) the Issuer anticipates awarding the sale of the Notes to the bidder who submits a firm offer to purchase the Notes at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Notes, as specified in the bid.

(c) In the event that the competitive sale requirements are not satisfied, the Issuer shall so advise the winning bidder(s). The Issuer shall treat the first price at which 10% of a maturity of the Notes (the "10% test") is sold to the public as the issue price of that maturity, applied on a maturity-by-maturity basis (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity). The winning bidder(s) shall advise the Issuer if any maturity of the Notes satisfies the 10% test as of the date and time of the award of the Notes. The Issuer will not require bidders to comply with the "hold-the-offering-price rule" and therefore (under the circumstances set forth in this paragraph (c)) does not intend to use the initial offering price to the public as of the sale date of any maturity of the Notes as the issue price of that maturity. Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied. Bidders should prepare their bids on the assumption that all of the maturities of the Notes will be subject to the 10% test in order to establish the issue price of the Notes.

(d) If the competitive sale requirements are not satisfied, then until the 10% test has been satisfied as to each maturity of the Notes, the winning bidder(s) agree(s) to promptly report to the Issuer the prices at which the unsold Notes of that maturity have been sold to the public. That reporting obligation shall continue, whether or not the closing date has occurred, until either (i) all Notes of that maturity have been sold or (ii) the 10% test has been satisfied as to the Notes of that maturity, provided that, the winning bidder's reporting obligation after the closing date may be at reasonable periodic intervals or otherwise upon request of the Issuer or bond counsel.

(e) By submitting a bid, each bidder confirms that:

- (i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

- (A) to report the prices at which it sells to the public the unsold Notes of each maturity allocated to it, whether or not the closing date has occurred, until either all Notes of that maturity allocated to it have been sold or it is notified by the winning bidder that the 10% test has been satisfied as to the Notes of that maturity, provided that, the reporting obligation after the closing date may be at reasonable periodic intervals or otherwise upon request of the winning bidder,
  - (B) to promptly notify the winning bidder of any sales of Notes that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Notes to the public (each such term being used as defined below), and
  - (C) to acknowledge that, unless otherwise advised by the underwriter, dealer or broker-dealer, the winning bidder shall assume that each order submitted by the underwriter, dealer or broker-dealer is a sale to the public.
- (ii) any agreement among underwriters or selling group agreement relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter or dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Notes to the public to require each broker-dealer that is a party to such third-party distribution agreement to report the prices at which it sells to the public the unsold Notes of each maturity allocated to it, whether or not the closing date has occurred, until either all Notes of that maturity allocated to it have been sold or it is notified by the winning bidder or such underwriter that the 10% test has been satisfied as to the Notes of that maturity, provided that, the reporting obligation after the closing date may be at reasonable periodic intervals or

otherwise upon request of the winning bidder or such underwriter.

(f) Sales of any Notes to any person that is a related party to an underwriter participating in the initial sale of the Notes to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- (i) "public" means any person other than an underwriter or a related party,
- (ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Notes to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Notes to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Notes to the public),
- (iii) a purchaser of any of the Notes is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other),
- (iv) "sale date" means the date that the Notes are awarded by the Issuer to the winning bidder, and

- (v) "maturity" means Notes with the same credit and payment terms. Notes with different maturity dates, or Notes with the same maturity date but different stated interest rates, are treated as separate maturities.
