#### PRELIMINARY OFFICIAL STATEMENT DATED SEPTEMBER 18, 2024

#### **NEW ISSUE – BOOK-ENTRY-ONLY**

In the opinion of McManimon, Scotland & Baumann, LLC, Bond Counsel, assuming compliance by the Borough (as defined herein) with certain tax covenants described herein, under existing law, interest on the Notes (as defined herein) is excluded from gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and interest on the Notes is not an item of tax preference under Section 57 of the Code for purposes of computing alternative minimum tax; however, interest on the Notes is included in the "adjusted financial statement income" of certain corporations that are subject to alternative minimum tax under Section 55 of the Code. Based upon existing law, interest on the Notes and any gain on the sale thereof are not included in gross income under the New Jersey Gross Income Tax Act. See "TAX MATTERS" herein.

## BOROUGH OF MANASQUAN, IN THE COUNTY OF MONMOUTH, NEW JERSEY

#### \$6,511,000 BOND ANTICIPATION NOTES AND \$2,542,775 BOND ANTICIPATION NOTES

#### INTRODUCTION

This Official Statement, which includes the cover page and the appendices attached hereto, has been prepared by the Borough of Manasquan (the "Borough"), in the County of Monmouth (the "County"), State of New Jersey (the "State"), in connection with the sale and issuance of its \$6,511,000 Bond Anticipation Notes (the "\$6,511,000 Notes") and its \$2,542,775 Bond Anticipation Notes (the "\$2,542,775 Notes"; and together with the \$6,511,000 Notes, the "Notes"). This Official Statement has been executed by and on behalf of the Borough by its Chief Financial Officer and may be distributed in connection with the sale of the Notes described herein.

This Official Statement contains specific information relating to the Notes, including their general description, certain matters affecting the financing, certain legal matters, historical financial information and other information pertinent to this issue. This Official Statement should be read in its entirety.

All financial and other information presented herein has been provided by the Borough from its records, except for information expressly attributed to other sources. The presentation of information is intended to show recent historic information and, but only to the extent specifically provided herein, certain projections into the immediate future and is not necessarily indicative of future or continuing trends in the financial position of the Borough.

This Official Statement is "deemed final", as of its date, within the meaning of Rule 15c2-12 of the Securities and Exchange Commission.

#### **DESCRIPTION OF THE NOTES**

#### **General Description**

The Notes are dated, will mature on the dates and in the amounts and will bear interest payable at the interest rates as set forth on the cover page hereof. Interest shall be computed on the basis of a 30-day month/360-day year consisting of twelve 30-day months. The Notes will be issued in the form of one certificate for the aggregate principal amount of each series of the Notes.

The principal of and interest due on the Notes will be paid to the registered owners by the Borough or its designated paying agent. Principal of and interest due on the Notes will be credited to the registered owners as of the business day immediately preceding the respective maturity dates of the Notes (the "*Record Dates*" for the payment of principal of and interest on the Notes).

The Notes are issuable as fully registered book-entry obligations in the form of one certificate in the aggregate principal amount of each series of the Notes. The Notes may be purchased in book-entry-only form in the amount of \$5,000 or any integral multiple of \$1,000 in excess thereof (except for any necessary odd denominations) through book-entries made on the books and records of The Depository

Trust Company, Brooklyn, New York ("DTC"), and its participants. So long as DTC or its nominee, Cede & Co. (or any successor or assign), is the registered owner of the Notes, payments of the principal of and interest on the Notes will be made by the Borough directly to Cede & Co. (or any successor or assign), as nominee for DTC.

#### Redemption

The Notes are not subject to redemption prior to their stated maturity dates.

#### **Book-Entry-Only System**

The description that follows of the procedures and recordkeeping with respect to beneficial ownership interest in the Notes, payment of principal of and interest and other payments on the Notes to Direct and Indirect Participants (each as defined below) or Beneficial Owners (defined below), confirmation and transfer of beneficial ownership interests in the Notes and other related transactions by and between DTC, Direct Participants and Beneficial Owners, is based on certain information furnished by DTC to the Borough.

DTC will act as securities depository for the Notes. The Notes will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Note certificate will be issued for the aggregate principal amount of each series of the Notes and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtc.com and www.dtc.org.

Purchases of the Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the Notes on DTC's records. The ownership interest of each actual purchaser of the Notes ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Notes are to be accomplished by entries made on the books of Direct and Indirect Participants acting on

behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Notes, except in the event that use of the book-entry system for the Notes is discontinued.

To facilitate subsequent transfers, the Notes deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Notes with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Notes; DTC's records reflect only the identity of the Direct Participants to whose accounts the Notes are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Notes unless authorized by a Direct Participant in accordance with DTC's procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Borough as soon as possible after the Record Date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Notes are credited on the Record Date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, if applicable, and principal and interest payments on the Notes will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Borough or the paying agent, if any, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC, the paying agent, if any, or the Borough, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, if applicable, and principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Borough or the paying agent, if any, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Notes at any time by giving reasonable notice to the Borough or the paying agent, if any. Under such circumstances, in the event that a successor securities depository is not obtained, note certificates are required to be printed and delivered.

The Borough may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, note certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Borough believes to be reliable, but the Borough takes no responsibility for the accuracy thereof.

THE BOROUGH WILL NOT HAVE ANY RESPONSIBILITY OR OBLIGATION TO SUCH DTC PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE PAYMENTS TO OR PROVIDING OF NOTICE FOR THE DTC PARTICIPANTS, OR THE INDIRECT PARTICIPANTS, OR BENEFICIAL OWNERS.

SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE NOTES, AS NOMINEE FOR DTC, REFERENCES HEREIN TO THE HOLDERS OR REGISTERED OWNERS OF THE NOTES (OTHER THAN UNDER THE CAPTIONS "TAX MATTERS" AND "SECONDARY MARKET DISCLOSURE") SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE NOTES.

#### **Discontinuation of Book-Entry-Only System**

If the Borough, in its sole discretion, determines that DTC is not capable of discharging its duties, or if DTC discontinues providing its services with respect to the Notes at any time, the Borough will attempt to locate another qualified securities depository. If the Borough fails to find such a securities depository, or if the Borough determines, in its sole discretion, that it is in the best interest of the Borough or that the interest of the Beneficial Owners might be adversely affected if the book-entry-only system of transfer is continued (the Borough undertakes no obligation to make an investigation to determine the occurrence of any events that would permit it to make such determination), the Borough shall notify DTC of the termination of the book-entry-only system.

#### SECURITY AND SOURCE OF PAYMENT

The Notes are valid and legally binding obligations of the Borough, and the Borough has pledged its full faith and credit for the payment of the principal of and interest on the Notes. The Borough is required by law to levy *ad valorem* taxes upon all the taxable property within the Borough for the payment of the principal of and interest on the Notes without limitation as to rate or amount.

#### **AUTHORIZATION AND PURPOSE OF THE NOTES**

\$6,511,000 Notes

The \$6,511,000 Notes have been authorized by and are being issued pursuant to (i) the Local Bond Law of the State of New Jersey, N.J.S.A. 40A:2-1 *et seq*. (the "*Local Bond Law*"), and (ii) the bond ordinances of the Borough set forth below.

#### RESILIENCY PLANNING

#### **Recent Healthcare Developments**

In early March of 2020, the World Health Organization declared a pandemic following the global outbreak of COVID-19, a respiratory disease caused by a newly discovered strain of coronavirus. On March 13, 2020, the President of the United States declared a national public health emergency to unlock federal funds and assistance to help states and local governments fight the pandemic. The Governor of the State declared a state of emergency and a public health emergency on March 9, 2020. In response to the COVID-19 pandemic, federal and State legislation and executive orders were implemented to, among

other things, provide relief to state and local governments, including the American Rescue Plan Act of 2021 (the "*Plan*"). The pandemic and certain mitigation measures, which altered the behavior of businesses and people, have had and may continue to have negative impacts on regional, State and local economies. The national public health emergency and the State public health emergency have since ended, while the state of emergency declared by the State and several executive orders signed by the Governor remain to manage COVID-19 on an endemic level.

To date, the overall finances and operations of the Borough have not been materially adversely affected by the COVID-19 pandemic. Nonetheless, there can be no assurance regarding the extent to which the COVID-19 pandemic, or any other national health crisis or pandemic, may impact the national, State or local economies in the future, nor how any such event may materially adversely impact municipalities, including the Borough. The Borough cannot quantify any such impacts at this time.

The Plan, signed into law on March 12, 2021, provided \$1.9 trillion in relief designed to provide funding to address the COVID-19 pandemic and alleviate the economic and health effects of the COVID-19 pandemic. The Borough has received \$607,705.63 from the Plan. The deadline to obligate the funds is December 31, 2024, and such funds can only be spent on certain allowable uses as set forth in the Plan.

#### **Weather Related Matters**

The State is naturally susceptible to the effects of extreme weather events and natural disasters, including floods and hurricanes, which could result in negative economic impacts on communities. Such effects can be exacerbated by a longer-term shift in the climate over several decades (commonly referred to as "climate change"), including increasing global temperatures and rising sea levels. The occurrence of such extreme weather events could damage local infrastructure that provides essential services to the Borough as well as resulting in economic impacts such as loss of *ad valorem* tax revenue, interruption of municipal services and escalated recovery costs. As a coastal community the Borough has faced and plans for potential impacts. In 2012 Superstorm Sandy damaged public and private property but through FEMA, private insurance and private and public action, the Borough has recovered. The Borough has an Office of Emergency Management and also engages with the County of Monmouth and State offices of emergency management services to plan for and respond to emergencies, including weather related emergencies. No assurance can be given as to whether future extreme weather events will occur that could materially adversely affect the financial condition of the Borough.

#### Cybersecurity

The Borough relies upon a large and complex technology environment to conduct its various operations. As a result, the Borough faces certain cybersecurity threats at various times, including, but not limited to, hacking, phishing, viruses, malware and other attacks on its computing and digital networks and systems. To mitigate the risks resulting from cybersecurity breaches, the Borough has insurance through the Monmouth County Joint Insurance Fund (the "*JIF*"). The JIF outsources contracts to provide insurance and ongoing training for safe practices. The Borough also contracts for cybersecurity training to mitigate risk.

#### MUNICIPAL FINANCE – FINANCIAL REGULATION OF COUNTIES AND MUNICIPALITIES

#### Local Bond Law (N.J.S.A. 40A:2-1 et seq.)

The Local Bond Law governs the issuance of bonds and notes to finance certain general municipal and utility capital expenditures. Among its provisions are requirements that bonds must mature within the statutory period of usefulness of the projects bonded and that bonds be retired in serial

installments. A 5% cash down payment is generally required toward the financing of expenditures for municipal purposes, subject to a number of exceptions. All bonds and notes issued by the Borough are general full faith and credit obligations.

The authorized bonded indebtedness of the Borough for municipal purposes is limited by statute, subject to the exceptions noted below, to an amount equal to 3½% of its average equalized valuation basis. The average for the last three years of the equalized value of all taxable property and improvements and certain Class II railroad property within the boundaries of the Borough, as annually determined by the State Director of Taxation, is \$3,058,064,547.

Certain categories of debt are permitted by statute to be deducted for purposes of computing the statutory debt limit, including school bonds that do not exceed the school bond borrowing margin and certain debt that may be deemed self-liquidating.

The Borough has not exceeded its statutory debt limit. As of December 31, 2023, the statutory net debt as a percentage of average equalized valuation was 0.651%. As noted above, the statutory limit is  $3\frac{1}{2}\%$ .

The Borough may exceed its debt limit with the approval of the Local Finance Board, a State regulatory agency, and as permitted by other statutory exceptions. If all or any part of a proposed debt authorization would exceed its debt limit, the Borough may apply to the Local Finance Board for an extension of credit. If the Local Finance Board determines that a proposed debt authorization would not materially impair the credit of the Borough or substantially reduce the ability of the Borough to meet its obligations or to provide essential public improvements and services, or if it makes certain other statutory determinations, approval is granted. In addition, debt in excess of the statutory limit may be issued by the Borough to fund certain notes, to provide for self-liquidating purposes and, in each fiscal year, to provide for purposes in an amount not exceeding 2/3 of the amount budgeted in such fiscal year for the retirement of outstanding obligations (exclusive of utility and assessment obligations).

The Borough may sell short-term "bond anticipation notes" to temporarily finance a capital improvement or project in anticipation of the issuance of bonds if the bond ordinance or a subsequent resolution so provides. Bond anticipation notes for capital improvements may be issued in an aggregate amount not exceeding the amount specified in the ordinance creating such capital expenditure, as it may be amended and supplemented. A local unit's bond anticipation notes may be issued for periods not greater than one year. Generally, bond anticipation notes may not be outstanding for longer than ten years. An additional period may be available following the tenth anniversary date equal to the period from the notes' maturity to the end of the tenth fiscal year in which the notes mature plus 4 months (May 1) in the next following fiscal year from the date of original issuance. Beginning in the third year, the amount of notes that may be issued is decreased by the minimum amount required for the first year's principal payment for a bond issue.

#### Local Budget Law (N.J.S.A. 40A:4-1 et seq.)

The foundation of the New Jersey local finance system is the annual cash basis budget. Every local unit must adopt a budget in the form required by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division"). Certain items of revenue and appropriation are regulated by law and the proposed budget must be certified by the Director of the Division (the "Director") prior to final adoption. The Local Budget Law requires each local unit to appropriate sufficient funds for payment of current debt service, and the Director is required to review the adequacy of such appropriations.

The Borough is authorized to issue emergency notes and special emergency notes pursuant to the Local Budget Law. Tax anticipation notes are limited in amount by law and must be paid off in full within 120 days of the close of the fiscal year.

The Director has no authority over individual operating appropriations, unless a specific amount is required by law, but the review functions focusing on anticipated revenues serve to protect the solvency of all local units.

The cash basis budgets of local units must be in balance, *i.e.*, the total of anticipated revenues must equal the total of appropriations (N.J.S.A. 40A:4-22). If in any year a local unit's expenditures exceed its realized revenues for that year, then such excess must be raised in the succeeding year's budget.

The Local Budget Law (N.J.S.A. 40A:4-26) provides that no miscellaneous revenues from any source may be included as an anticipated revenue in the budget in an amount in excess of the amount actually realized in cash from the same source during the next preceding fiscal year, unless the Director determines that the facts clearly warrant the expectation that such excess amount will actually be realized in cash during the fiscal year and certifies that determination to the local unit.

No budget or budget amendment may be adopted unless the Director shall have previously certified his approval of such anticipated revenues, except that categorical grants-in-aid contracts may be included for their face amount with an offsetting appropriation. The fiscal years for such grants rarely coincide with the municipality's calendar year. However, grant revenue is generally not realized until received in cash.

The same general principle that revenue cannot be anticipated in a budget in excess of that realized in the preceding year applies to property taxes. The maximum amount of delinquent taxes that may be anticipated is limited by a statutory formula, which allows the local unit to anticipate collection at the same rate realized for the collection of delinquent taxes in the previous year. Also, the local unit is required to make an appropriation for a "reserve for uncollected taxes" in accordance with a statutory formula to provide for a tax collection in an amount that does not exceed the percentage of taxes levied and payable in the preceding fiscal year that was received in cash by December 31 of that year. The budget also must provide for any cash deficits of the prior year.

Emergency appropriations (those made after the adoption of the budget and the determination of the tax rate) may be authorized by the governing body of a local unit. However, with minor exceptions, such appropriations must be included in full in the following year's budget.

The exceptions are certain enumerated quasi-capital projects ("special emergencies") such as ice, snow and flood damage to streets, roads and bridges, which may be amortized over three years, and tax map preparation, re-evaluation programs, revision and codification of ordinances, master plan preparation, drainage map preparation for flood control purposes and contractually required severance liabilities, which may be amortized over five years. Of course, emergency appropriations for capital projects may be financed through the adoption of a bond ordinance and amortized over the useful life of the project.

Under legislation recently enacted to address the COVID-19 emergency, P.L. 2020, c. 74 (A3971), a local unit may adopt an emergency appropriation to fund certain deficits resulting from COVID-19 with approval of the Director and may either fund it as a deferred charge or issue special emergency notes to fund it payable by 1/5 each year beginning in the year after the year in which the deferred charge appears in the financial statements so it is paid off no later than the last day of the sixth fiscal year following the end of the fiscal year in which the application is made. If there is a showing of fiscal distress, that may be extended to ten years. The Director may also promulgate guidelines

modifying the standard for anticipated revenues when the amount realized in cash from the same source during the next preceding fiscal year experienced reductions due to COVID-19. Also, local units may be able to issue refunding bonds with Local Finance Board approval to repay a Federal Emergency Management Agency Community Disaster Loan for which it executed a promissory note in 2013.

Budget transfers provide a degree of flexibility and afford a control mechanism. Transfers between appropriation accounts may be made only during the last two months of the year. Appropriation reserves may also be transferred during the first three months of the year to the previous year's budget. Both types of transfers require a 2/3 vote of the full membership of the governing body; however, transfers cannot be made from either the down payment account or the capital improvement fund. Transfers may be made between sub-account line items within the same account at any time during the year, subject to internal review and approval. In a "CAP" budget, no transfers may be made from excluded from "CAP" appropriations to within "CAP" appropriations nor can transfers be made between excluded from "CAP" appropriations.

A provision of law known as the New Jersey "Cap Law" (N.J.S.A. 40A:4-45.1 et seq.) imposes limitations on increases in municipal appropriations subject to various exceptions. The payment of debt service is an exception from this limitation. The Cap formula is somewhat complex, but basically it permits a municipality to increase its overall appropriations by the lesser of 2.5% or the "Index Rate" if the index rate is greater than 2.5%. The "Index Rate" is the rate of annual percentage increase, rounded to the nearest one-half percent, in the Implicit Price Deflator for State and Local Government purchases of goods and services computed by the U.S. Department of Commerce. Exceptions to the limitations imposed by the Cap Law also exist for other things including capital expenditures; extraordinary expenses approved by the Local Finance Board for implementation of an interlocal services agreement; expenditures mandated as a result of certain emergencies; and certain expenditures for services mandated by law. Counties are also prohibited from increasing their tax levies by more than the lesser of 2.5% or the Index Rate subject to certain exceptions. Municipalities by ordinance approved by a majority of the full membership of the governing body may increase appropriations up to 3.5% over the prior year's appropriation, and counties by resolution approved by a majority of the full membership of the governing body may increase the tax levy up to 3.5% over the prior year's tax levy in years when the Index Rate is 2.5% or less.

Additionally, legislation constituting P.L. 2010, c. 44, limits tax levy increases for those local units to 2% with exceptions only for capital expenditures including debt service, increases in pension contributions and accrued liability for pension contributions in excess of 2%, certain healthcare increases, extraordinary costs directly related to a declared emergency and amounts approved by a simple majority of voters voting at a special election.

Neither the tax levy limitation nor the "Cap Law" limits the obligation of the Borough to levy *ad valorem* taxes upon all taxable property within the Borough to pay debt service on its bonds or notes, including the Notes.

In accordance with the Local Budget Law, each local unit must adopt and may from time to time amend rules and regulations for capital budgets, which rules and regulations must require a statement of capital undertakings underway or projected for a period not greater than over the next ensuing six years as a general improvement program. The capital budget, when adopted, does not constitute the approval or appropriation of funds, but sets forth a plan of the possible capital expenditures that the local unit may contemplate over the six years. Expenditures for capital purposes may be made either by ordinances adopted by the governing body setting forth the items and the method of financing or from the annual operating budget if the terms were detailed.

#### **Tax Assessment and Collection Procedure**

Property valuations (assessments) are determined on true values as arrived at by a cost approach, market data approach and capitalization of net income where appropriate. Current assessments are the result of new assessments on a like basis with established comparable properties for newly assessed or purchased properties. This method assures equitable treatment to like property owners, but it often results in a divergence of the assessment ratio to true value.

Upon the filing of certified adopted budgets by the Borough's local school district and the County, the tax rate is struck by the County Board of Taxation based on the certified amounts in each of the taxing districts for collection to fund the budgets. The statutory provision for the assessment of property, the levying of taxes and the collection thereof are set forth in N.J.S.A. 54:4-1 *et seq*. Special taxing districts are permitted in New Jersey for various special services rendered to the properties located within the special districts.

Tax bills are mailed annually in June by the Borough's Tax Collector. The taxes are due August 1 and November 1, respectively, and are adjusted to reflect the current calendar year's total tax liability. The preliminary taxes due February 1 and May 1 of the succeeding year are based upon one-half of the current year's total tax.

Tax installments not paid on or before the due date are subject to interest penalties of 8% per annum on the first \$1,500 of the delinquency and 18% per annum on any amount in excess of \$1,500. These interest rates and penalties are the highest permitted under New Jersey statutes. If a delinquency is in excess of \$10,000 and remains in arrears after December 31st, an additional penalty of 6% shall be charged. Delinquent taxes open for one year or more are annually included in a tax sale in accordance with New Jersey statutes. A table detailing delinquent taxes and tax title liens is included in <u>Appendix A</u>.

#### Tax Appeals

The New Jersey statutes provide a taxpayer with remedial procedures for appealing an assessment deemed excessive. Prior to February 1 in each year, the Borough must mail to each property owner a notice of the current assessment and taxes on the property. The taxpayer has a right to petition the County Board of Taxation on or before April 1 for review. The County Board of Taxation has the authority after a hearing to decrease or reject the appeal petition. These adjustments are usually concluded within the current tax year and reductions are shown as canceled or remitted taxes for that year. If the taxpayer feels his petition was unsatisfactorily reviewed by the County Board of Taxation, appeal may be made to the Tax Court of New Jersey for further hearing. Some State Tax Court appeals may take several years prior to settlement and any losses in tax collections from prior years are charged directly to operations.

#### Local Fiscal Affairs Law (N.J.S.A. 40A:5-1 et seq.)

This law regulates the non-budgetary financial activities of local governments. The chief financial officer of every local unit must file annually, with the Director, a verified statement of the financial condition of the local unit and all constituent boards, agencies or commissions.

An independent examination of each local unit's accounts must be performed annually by a licensed registered municipal accountant. The audit, conforming to the Division of Local Government Services' "Requirements of Audit", includes recommendations for improvement of the local unit's financial procedures and must be filed with the Director. A synopsis of the audit report, together with all recommendations made, must be published in a local newspaper within 30 days of its submission. The entire annual audit report for the year ended December 31, 2023 for the Borough is on file with the Borough Clerk and is available for review during business hours.

#### TAX MATTERS

#### **Exclusion of Interest on the Notes From Gross Income for Federal Tax Purposes**

The Internal Revenue Code of 1986, as amended (the "Code"), imposes certain requirements that must be met on a continuing basis subsequent to the issuance of the Notes in order to assure that interest on the Notes will be excluded from gross income for federal income tax purposes under Section 103 of the Code. Failure of the Borough to comply with such requirements may cause interest on the Notes to lose the exclusion from gross income for federal income tax purposes, retroactive to the date of issuance of the Notes. The Borough will make certain representations in its Arbitrage and Tax Certificates, which will be executed on the date of issuance of the Notes, as to various tax requirements. The Borough has covenanted to comply with the provisions of the Code applicable to the Notes and has covenanted not to take any action or fail to take any action that would cause interest on the Notes to lose the exclusion from gross income under Section 103 of the Code. Bond Counsel (as defined herein) will rely upon the representations made in the Arbitrage and Tax Certificates and will assume continuing compliance by the Borough with the above covenants in rendering its federal income tax opinions with respect to the exclusion of interest on the Notes from gross income for federal income tax purposes and with respect to the treatment of interest on the Notes for the purposes of alternative minimum tax.

Assuming the Borough observes its covenants with respect to compliance with the Code, McManimon, Scotland & Baumann, LLC, Bond Counsel to the Borough ("Bond Counsel"), is of the opinion that, under existing law, interest on the Notes is excluded from gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Code, and interest on the Notes is not an item of tax preference under Section 57 of the Code for purposes of computing alternative minimum tax; however, interest on the Notes is included in the "adjusted financial statement income" of certain corporations that are subject to alternative minimum tax under Section 55 of the Code.

The opinion of Bond Counsel is based on current legal authority and covers certain matters not directly addressed by such authority. It represents Bond Counsel's legal judgment as to exclusion of interest on the Notes from gross income for federal income tax purposes but is not a guaranty of that conclusion. The opinion is not binding on the Internal Revenue Service ("IRS") or any court. Bond Counsel expresses no opinion about (i) the effect of future changes in the Code and the applicable regulations under the Code or (ii) the interpretation and enforcement of the Code or those regulations by the IRS.

Bond Counsel's engagement with respect to the Notes ends with the issuance of the Notes, and, unless separately engaged, Bond Counsel is not obligated to defend the Borough or the owners of the Notes regarding the tax status of interest thereon in the event of an audit examination by the IRS. The IRS has a program to audit tax-exempt obligations to determine whether the interest thereon is includible in gross income for federal income tax purposes. If the IRS does audit the Notes, under current IRS procedures, the IRS will treat the Borough as the taxpayer and the beneficial owners of the Notes will have only limited rights, if any, to obtain and participate in judicial review of such audit. Any action of the IRS, including, but not limited to, selection of the Notes for audit, or the course or result of such audit, or an audit of other obligations presenting similar tax issues, may affect the market value of the Notes.

Payments of interest on tax-exempt obligations, including the Notes, are generally subject to IRS Form 1099-INT information reporting requirements. If an owner of the Notes is subject to backup withholding under those requirements, then payments of interest will also be subject to backup withholding. Those requirements do not affect the exclusion of such interest from gross income for federal income tax purposes.

#### **Original Issue Premium**

The Notes may be sold at an initial offering price in excess of the amount payable at the maturity date. The excess, if any, of the tax basis of the Notes to a purchaser (other than a purchaser who holds the Notes as inventory, as stock-in-trade or for sale to customers in the ordinary course of business) over the amount payable at maturity is amortizable note premium, which is not deductible from gross income for federal income tax purposes. Amortizable note premium, as it amortizes, will reduce the owner's tax cost of the Notes used to determine, for federal income tax purposes, the amount of gain or loss upon the sale, redemption at maturity or other disposition of the Notes. Accordingly, an owner of the Notes may have taxable gain from the disposition of the Notes, even though the Notes are sold, or disposed of, for a price equal to the owner's original cost of acquiring the Notes. Note premium amortizes over the term of the Notes under the "constant yield method" described in regulations interpreting Section 1272 of the Code. Owners of the Notes should consult their own tax advisors with respect to the calculation of the amount of premium that will be treated for federal income tax purposes as having amortized for any taxable year (or portion thereof) of the owner and with respect to other federal, state and local tax consequences of owning and disposing of the Notes.

#### **Bank-Qualification**

The Notes **will be** designated as qualified under Section 265 of the Code by the Borough for an exemption from the denial of deduction for interest paid by financial institutions to purchase or to carry tax-exempt obligations.

The Code denies the interest deduction for certain indebtedness incurred by banks, thrift institutions and other financial institutions to purchase or to carry tax-exempt obligations. The denial to such institutions of 100% of the deduction of interest paid on funds allocable to tax-exempt obligations applies to those tax-exempt obligations acquired by such institutions after August 7, 1986. For certain issues that are eligible to be designated and that are designated by the issuer as qualified under Section 265 of the Code, 80% of such interest may be deducted as a business expense by such institutions.

#### **Additional Federal Income Tax Consequences of Holding the Notes**

Prospective purchasers of the Notes should be aware that ownership of, accrual or receipt of interest on or disposition of tax-exempt obligations, such as the Notes, may have additional federal income tax consequences for certain taxpayers, including, without limitation, taxpayers eligible for the earned income credit, recipients of certain Social Security and certain Railroad Retirement benefits, taxpayers that may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, financial institutions, property and casualty companies, foreign corporations and certain S corporations.

Bond Counsel expresses no opinion regarding any federal tax consequences other than its opinion with regard to the exclusion of interest on the Notes from gross income pursuant to Section 103 of the Code and interest on the Notes not constituting an item of tax preference under Section 57 of the Code. Prospective purchasers of the Notes should consult their tax advisors with respect to all other tax consequences (including, but not limited to, those listed above) of holding the Notes.

#### **Changes in Federal Tax Law Regarding the Notes**

Legislation affecting tax-exempt obligations is regularly considered by the United States Congress and may also be considered by the State of New Jersey. Court proceedings may also be filed, the outcome of which could modify the tax treatment of obligations such as the Notes. There can be no assurance that legislation enacted or proposed, or actions by a court, after the date of issuance of the

Notes will not have an adverse effect on the tax status of interest on the Notes or the market value or marketability of the Notes. These adverse effects could result, for example, from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax) or repeal (or reduction in the benefit) of the exclusion of interest on the Notes from gross income for federal or state income tax purposes for all or certain taxpayers.

#### **State Taxation**

Bond Counsel is of the opinion that, based upon existing law, interest on the Notes and any gain on the sale thereof are not included in gross income under the New Jersey Gross Income Tax Act.

THE OPINIONS EXPRESSED BY BOND COUNSEL WITH RESPECT TO THE NOTES ARE BASED UPON EXISTING LAWS AND REGULATIONS AS INTERPRETED BY RELEVANT JUDICIAL DECISIONS AND REGULATORY CHANGES AS OF THE DATE OF ISSUANCE OF THE NOTES, AND BOND COUNSEL HAS EXPRESSED NO OPINION WITH RESPECT TO ANY LEGISLATION, REGULATORY CHANGES OR LITIGATION ENACTED, ADOPTED OR DECIDED SUBSEQUENT THERETO. PROSPECTIVE PURCHASERS OF THE NOTES SHOULD CONSULT THEIR OWN TAX ADVISORS REGARDING THE POTENTIAL IMPACT OF ANY PENDING OR PROPOSED FEDERAL OR STATE TAX LEGISLATION, REGULATIONS OR LITIGATION.

#### LITIGATION

To the knowledge of the Borough Attorney, Mark G. Kitrick, Esq. of Kitrick, McWeeney & Wells, LLC, Manasquan, New Jersey (the "Borough Attorney"), there is no litigation of any nature, now pending or threatened, restraining or enjoining the issuance or delivery of the Notes, or the levy or collection of any taxes to pay the principal of or interest on the Notes, or in any manner questioning the authority or the proceedings for the issuance of the Notes or for the levy or collection of taxes, or contesting the corporate existence or boundaries of the Borough or the title of any of the present officers. Moreover, to the knowledge of the Borough Attorney, no litigation is presently pending or threatened that, in the opinion of the Borough Attorney, would have a material adverse impact on the financial condition of the Borough if adversely decided.

#### FINANCIAL STATEMENTS

Excerpts from financial statements of the Borough for the fiscal years ended December 31, 2022 and December 31, 2021 are presented in <u>Appendix B</u> to this Official Statement (the "*Financial Statements*"). The Financial Statements have been audited by Alvino & Shechter, L.L.C., Neptune, New Jersey, an independent auditor, as stated in its report appearing in <u>Appendix B</u> to this Official Statement. See "APPENDIX B – Excerpts from Financial Statements of the Borough of Manasquan, in the County of Monmouth, New Jersey, for the Years Ended December 31, 2022 and December 31, 2021" herein.

#### SECONDARY MARKET DISCLOSURE

The Borough has covenanted for the benefit of the holders and beneficial owners of the Notes to provide certain secondary market disclosure information pursuant to Rule 15c2-12 of the Securities and Exchange Commission, as amended and interpreted from time to time (the "Rule"). Specifically, for so long as the Notes remain outstanding (unless the Notes have been wholly defeased), the Borough will provide electronically to the Municipal Securities Rulemaking Board's Electronic Municipal Market Access ("EMMA") system or such other repository designated by the Securities and Exchange Commission to be an authorized repository for filing secondary market disclosure information, if any, in a

timely manner not in excess of ten business days after the occurrence of the event, notice of any of the following events with respect to the Notes:

- (1) Principal and interest payment delinquencies;
- (2) Non-payment related defaults, if material;
- (3) Unscheduled draws on debt service reserves reflecting financial difficulties;
- (4) Unscheduled draws on credit enhancements reflecting financial difficulties;
- (5) Substitution of credit or liquidity providers, or their failure to perform;
- (6) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Notes, or other material events affecting the tax status of the Notes;
- (7) Modifications to the rights of holders of the Notes, if material;
- (8) Note calls, if material, and tender offers;
- (9) Defeasances;
- (10) Release, substitution or sale of property securing repayment of the Notes, if material;
- (11) Rating changes;
- (12) Bankruptcy, insolvency, receivership or similar event of the Borough;
- (13) The consummation of a merger, consolidation or acquisition involving the Borough or the sale of all or substantially all of the assets of the Borough, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (14) Appointment of a successor or additional trustee or the change of name of a trustee, if material;
- (15) Incurrence of a Financial Obligation of the Borough, if material, or agreement to covenants, events of default, remedies, priority rights or other similar terms of a Financial Obligation, any of which affect holders of the Notes, if material; and
- (16) Default, event of acceleration, termination event, modification of terms or other similar events under a Financial Obligation of the Borough, if any such event reflects financial difficulties.

The term "Financial Obligation" as used in subparagraphs (15) and (16) above means a (i) debt obligation, (ii) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation or (iii) guarantee of (i) or (ii); provided, however, that the term "Financial Obligation" shall not include municipal securities as to which a final official statement has been provided to the Municipal Securities Rulemaking Board consistent with the Rule.

If all or any part of the Rule ceases to be in effect or is not in effect for any reason, then the information required to be provided, insofar as the provisions of the Rule not or no longer in effect required the provision of such information, shall not or no longer will be required to be provided.

The Chief Financial Officer shall determine, in consultation with Bond Counsel, the application of the Rule or the exemption from the Rule for each issue of obligations of the Borough prior to their offering. Such officer is authorized to enter into additional written contracts or undertakings to implement the Rule and is further authorized to amend such contracts or undertakings, provided such amendment is, in the opinion of nationally recognized bond counsel, in compliance with the Rule.

In the event that the Borough fails to comply with the above-described undertaking and covenants, the Borough shall not be liable for any monetary damages, remedy of the beneficial owners of the Notes being specifically limited in the undertaking to specific performance of the covenants.

The undertaking may be amended by the Borough from time to time, without the consent of the holders or beneficial owners of the Notes, in order to make modifications required in connection with a change in legal requirements or change in law, which in the opinion of nationally recognized bond counsel complies with the Rule.

The Borough has previously failed to comply with prior undertakings to timely post its audited financial statements, financial information and operating data for the fiscal year ended December 31, 2022 and to timely file a notice of failure. The Municipal Advisor is acting as the Borough's disclosure agent.

#### MUNICIPAL BANKRUPTCY

The undertakings of the Borough should be considered with reference to Chapter IX of the Bankruptcy Act, 11 U.S.C. §901 *et seq.*, as amended by Public Law 94-260, approved April 8, 1976, and as further amended on November 6, 1978 by the Bankruptcy Reform Act of 1978, effective October 1, 1979, as further amended by Public Law 100-597, effective November 3, 1988, and as further amended and other bankruptcy laws affecting creditors' rights and municipalities in general. The amendments of P.L. 94-260 replace former Chapter IX and permit the State or any political subdivision, public agency or instrumentality that is insolvent or unable to meet its debts to file a petition in a court of bankruptcy for the purpose of effecting a plan to adjust its debts; directs such a petitioner to file with the court a list of petitioner's creditors; provides that a petition filed under such chapter shall operate as a stay of the commencement or continuation of any judicial or other proceeding against the petitioner; grants priority to debt owed for services or material actually provided within three months of the filing of the petition; directs a petitioner to file a plan for the adjustment of its debts; and provides that the plan must be accepted in writing by or on behalf of creditors holding at least two-thirds in amount or more than one-half in number of the listed creditors. The 1976 Amendments were incorporated into the Bankruptcy Reform Act of 1978 with only minor changes.

Reference should also be made to N.J.S.A. 52:27-40 *et seq.*, which provides that a municipality has the power to file a petition in bankruptcy provided the approval of the "Municipal Finance Commission" has been obtained. The powers of the Municipal Finance Commission have been vested in the Local Finance Board. The Bankruptcy Act specifically provides that Chapter IX does not limit or impair the power of a state to control, by legislation or otherwise, the procedures that a municipality must follow in order to take advantage of the provisions of the Bankruptcy Act.

#### APPROVAL OF LEGAL PROCEEDINGS

All legal matters incident to the authorization, issuance, sale and delivery of the Notes are subject to the approval of Bond Counsel, whose approving legal opinions will be delivered with the Notes substantially in the forms set forth as <u>Appendix C</u>. Certain legal matters will be passed upon for the Borough by the Borough Attorney.

#### UNDERWRITING

The \$6,511,000 Notes have been purchased from the Borough at a public sale by \_\_\_\_\_\_ (the "\$6,511,000 Notes Underwriter") at a price of \$\_,\_\_\_, which represents the par amount of the \$6,511,000 Notes, plus original issue premium in the amount of \$\_\_,\_\_, less underwriter's discount in the amount of \$\_\_,\_\_. The \$6,511,000 Notes Underwriter

intends to offer the \$6,511,000 Notes to the public initially at the offering yield set forth on the cover page of this Official Statement, which may subsequently change without any requirement of prior notice.

The \$2,542,775 Notes have been purchased from the Borough at a public sale by \_\_\_\_\_\_ (the "\$2,542,775 Notes Underwriter"; and together with the \$6,511,000 Notes Underwriter, the "Underwriters") at a price of \$\_\_\_\_, \_\_\_\_, which represents the par amount of the \$2,542,775 Notes, plus original issue premium in the amount of \$\_\_\_\_, \_\_\_\_, less underwriter's discount in the amount of \$\_\_\_\_, \_\_\_. The \$2,542,775 Notes Underwriter intends to offer the \$2,542,775 Notes to the public initially at the offering yield set forth on the cover page of this Official Statement, which may subsequently change without any requirement of prior notice.

The Underwriters reserve the right to join with dealers and other underwriters in offering the Notes to the public. The Underwriters may offer and sell the Notes to certain dealers (including dealers depositing the Notes into investments trusts) at yields higher than the public offering yields set forth on the cover page of this Official Statement, and such yields may be changed, from time to time, by the Underwriters without prior notice.

#### MUNICIPAL ADVISOR

NW Financial Group, LLC, Bloomfield, New Jersey, has served as Municipal Advisor to the Borough with respect to the issuance of the Notes (the "Municipal Advisor"). The Municipal Advisor is not obligated to undertake, and has not undertaken, either to make an independent verification of or to assume responsibility for the accuracy, completeness or fairness of the information contained in this Official Statement and the appendices hereto. The Municipal Advisor is a municipal advisory firm, and is not engaged in the business of underwriting, marketing or trading municipal securities or any other negotiable instrument.

#### PREPARATION OF OFFICIAL STATEMENT

The Borough hereby states that the descriptions and statements herein, including financial statements, are true and correct in all material respects, and it will confirm to the Underwriters by certificates signed by the Mayor and the Chief Financial Officer of the Borough that, to their knowledge, such descriptions and statements, as of the date of this Official Statement, are true and correct in all material respects and do not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements herein, in light of the circumstances under which they were made, not misleading.

Alvino & Shechter, L.L.C. takes responsibility for the audited financial statements presented in <u>Appendix B</u> to the extent specified in its Independent Auditors' Report and has not participated in the preparation of this Official Statement.

All other information has been obtained from sources that the Borough considers to be reliable, and it makes no warranty, guaranty or other representation with respect to the accuracy and completeness of such information.

Bond Counsel has not participated in the preparation of the financial or statistical information contained in this Official Statement nor has it verified the accuracy, completeness or fairness thereof and, accordingly, expresses no opinion with respect thereto.

#### **RATING**

The Notes will not be rated.

#### ADDITIONAL INFORMATION

Inquiries regarding this Official Statement, including information additional to that contained herein, may be directed to Amy Spera, Chief Financial Officer of the Borough, at (732) 223-0544, or to the Municipal Advisor at (201) 656-0115.

#### **MISCELLANEOUS**

This Official Statement is not to be construed as a contract or agreement among the Borough, the Underwriters and the holders of the Notes. Any statements made in this Official Statement involving matters of opinion, whether or not expressly so stated, are intended merely as opinions and not as representations of fact. The information and expressions of opinion contained herein are subject to change without notice, and neither the delivery of this Official Statement nor any sale of the Notes made hereunder shall, under any circumstances, create any implication that there has been no change in the affairs (financial or otherwise) of the Borough since the date hereof. The information contained in this Official Statement is not guaranteed as to accuracy or completeness.

#### **BOROUGH OF MANASQUAN**

#### APPENDIX A

ECONOMIC AND DEMOGRAPHIC INFORMATION RELATING TO THE BOROUGH OF MANASQUAN, IN THE COUNTY OF MONMOUTH, NEW JERSEY

#### INFORMATION REGARDING THE BOROUGH<sup>1</sup>

The following material presents certain economic and demographic information of the Borough of Manasquan (the "Borough"), in the County of Monmouth (the "County"), State of New Jersey (the "State").

#### **General Information**

The Borough is an area of 1.4 square miles located along the Manasquan River and the Atlantic Ocean. It is bounded by Sea Girt, Wall, Brielle, and Ocean County. The Borough is about 67 miles from New York City and 65 miles from Philadelphia.

The major north-south routes serving the Borough are Route 34, Route 35 and Route 71. Connection to New York City is through the Garden State Parkway and by rail through Conrail (New York & Long Branch Railroad) at the Manasquan Station. Public bus service runs along Rt. 71 to New York City.

#### **Form of Government**

The Borough is governed under the Borough form of State municipal government. The governing body consists of a Mayor and a Borough Council comprising six council members, with all positions elected at-large on a partisan basis as a part of the November general election. A Mayor is elected directly by the voters to a four-year term of office. The Borough Council consists of six members elected to serve three-years terms on a staggered basis, with two seats coming up for election each year in a three-year cycle.

#### **Pension and Retirement Systems**

Substantially all eligible employees participate in the Public Employees' Retirement System, the Police and Firemen's Retirement System or the Defined Contribution Retirement Program, which have been established by State statue and are administered by the New Jersey Division of Pensions and Benefits (the "Division"). Benefits, contributions, means of funding and the manner of administration are set by State statute. The Division annually charges municipalities and other participating governmental units for their respective contributions to the plans based upon actuarial calculations, and the employees contribute a portion of the cost. Each Plan has a Board of Trustees that is primarily responsible for its administration. The Division of Pensions and Benefits, P.O. Box 295, Trenton, New Jersey 08625 is available online at www.nj.gov/treasury/pensions/financial-reports.shtml.

The Public Employee's Retirement System is a cost-sharing multiple-employer defined benefit pension plan, which was established as of January 1, 1955 under the provisions of N.J.S.A. 43:15A to provide retirement, death, disability and medical benefits to certain qualified members. Membership is mandatory for substantially all full-time employees of the State or any county, municipality, school district or public agency, provided the employee is not required to be a member of another state-administered retirement system or other state pension fund or local jurisdiction's pension fund.

The Police and Firemen's Retirement System is a cost-sharing multiple-employer defined benefit pension plan, which was established July 1, 1944 under the provisions of N.J.S.A. 43:16A

### INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and Council Borough of Manasquan County of Monmouth Manasquan, New Jorsey

### Report on the Audit of the Financial Statements

#### Opinions

We have audited the accompanying belance sheets = regulatory basis of the various funds of the Borough of Manasquan, in the County of Monmouth, State of New Jersey, as of December 31, 2022 and 2021, the related statement of operations and changes in fund balance-regulatory basis for the years then ended, and the related statement of revenues - regulatory basis and statement of expenditures - regulatory basis of the various funds for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the Borough's basis financial statements as listed in the table of contents.

### Qualified Opinion on Regulatory Basis of Accounting

In our opinion, except for the possible effects of the matter described in the "Basis for Qualified Opinion on Regulatory Basis of Accounting" paragraph, the financial statements referred to above present fairly, in all material respects, the regulatory basis balance sheets as of December 31, 2022 and 2021, the regulatory basis statements of operations and changes in fund balances for the years then ended, and the regulatory basis statements of revenues and expenditures and related notes to financial statements for the year ended December 31, 2022 in accordance with the basis of financial reporting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey as described in Note 1.

### Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of each und of the Borough of Manasquan as of December 31, 2022 and 2021, or changes in the linancial position for the years then ended.

### Basis for Opinions

We conducted our audits in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards issued by the Corontrollor General of the United States and the audit requirements prescribed by the Division of Local Government Services, Department of Community Affairs, State of Now Jersey. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Borough of Manasquan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### Itasis for Qualified Opinion on Regulatory Basis of Accounting

The financial statements of the Length of Service Award Program Fend ("LOSAP") Trust Fund has not been suchted and we were not required by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, to audit not were we engaged to audit the LOSAP Trust Fund financial statements as part of our audit of the Borough's financial statements as of and for the years ended December 31, 2022 and 2021. The LOSAP Trust Fund financial activities are included in the Borough's Trust Fund, and represent 14.72% and 20.30% of the asset and liabilities, respectively, of the Borough's Trust Funds as of December 31, 2022 and 2021.

### Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statements, the financial statements are prepared by the Borough of Manasquan on the basis of the financial reporting provisions prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which is a basis of accounting other than accounting principles generally secepted in the United States of America, to meet the requirements of New Jersey. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably deforminable, are presumed to be material.

#### Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the basis of accounting prescribed by the Division of Lucal Government Services, Department of Community Affairs, State of New Jorsey. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are then from material mustatements, whether due to find or error.

#### Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high revol of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards. Government Acuiting Standards and audit requirements prescribed by the Division of Local Government Services, Department of Community Affairs, State of New fersey, will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from traud is higher than for one resulting from error, as fraud may involve collasion, forgery intentional amussions, misrepresentations, or the overrule of Internal control. Misstatements are considered material if there is a substantial I belihood that, individually or in the aggregate, they would influence the judgment under by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, Government Auditing Standards and audit requirements prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
    appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of
    the Borough of Manasquan's internal control. Accordingly, no such opinion is expressed.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting
    estimates made by management, as well as evaluate the overall presentation of the financial sixtements.

 Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Norough's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planted scope and tuning of the audit, significant and findings, and certain internal control-related matters that we identified through the audit.

### Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Borough of Manasquan's basic financial statements. The supplementary information listed in the table of contents and the comments and recommendations section, are presented for purposes of additional analysis as required by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, and are not a required part of the basic financial statements.

The supplementary information listed in the table of contents is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accopted in the United States of America. In our opinion, the supplementary information listed in the table of contents are fairly stated, in all material respects, in relation to the basic linardial statements as a whole.

The letter of comments and recommendations section has not been subject to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any essurance on it.

### Other Reporting Required by Government Auditing Standards

In accordance with Cinversment auditing Standards, we have also issued our report dated September 29, 2023 on our consideration of the Borough of Manasquan's Internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance, and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Borought of Manasquan's internal control over financial reporting and compliance.

C. Measurement Focus, Basis of Accounting and Basis of Presentation (Cont'd)

Revenues - are recorded when received in cash except for certain amounts which are due from other governmental units. Receipts from Federal and State grants are realized as revenue when anticipated in the budget.

Receivables for property taxes and consumer accounts receivable are recorded with offsetting reserves on the balance sheet of the respective fund; accordingly, such amounts are not recorded as revenue until collected. Other amounts that are due to the Bornugh which are susceptible to accrual are also recorded as receivables with offsetting reserves and recorded as revenue when received. Fund balance utilized to balance the budget is recorded as revenue and budgeted transfers from other funds are also recorded as revenue when anticipated in the budget.

Expenditures - are recorded on the "hodgetary" basis of accounting. Generally expenditures are recorded when an amount its encumbered for goods or services through the issuances of a purchase order in conjunction with the Encumbrance Accounting System. Outstanding encumbrances at December 31, are reported as a cash hability in the financial statements and constitute part of the Borough's statutory Appropriation Reserve balance. Appropriation reserves covering uncanended appropriation balances are automatically created at December 31st of each year and recorded as liabilities, except for amounts which may be cancelled by the governing body. Appropriation reserves are available, until lepsed at the close of the succeeding year, to meet specific claims, commitments or contacts incurred during the preceding fiscal year. Lansed appropriation reserves are recorded as income. Grant appropriations are charged upon budget adopted to create separate spending reserves. Budgeted transfers to other funds are recorded as expenditures when the budget is adopted to the extent permitted or required by law. Appropriations for principal payments on outstanding general capital and utility bends and notes are provided on the cash basis, interest on general capital indebtedness is on the each basis, whereas interest on utility indebtedness is on the second basis.

<u>Encumbrances</u> - Confractual orders mutstanding at December 31, are reported as expendences through the establishment of an encumbrance payable. Fucumbrances do not constitute expenditures under GAAP.

Property Laxes - Real property taxon are assessed locally, based upon the assessed value of the uniperty. The lax bill includes a levy for Municipal, County and School purposes. The bills are mailed annually in Tune for that calendar year's love. Taxes are payable in four quarterly installments on February I, May I. August I and November 1. The amounts of the first and accoud installments are determined as one half of the total lax levied against the property for the preceding year. The installment due the third and fourth quarters is determined by taking the current year boyy less the amount previously charged for the first and second installments, with the remainder being divided equally. If unpaid on these dates, the amount due becomes delinquent and subject to interest at \$% per amount, or 18% on any delinquency amount in excess of \$1,500. The school levy is turned over to the Board of Education at expenditures are incurred, and the balance, it any, must be transferred as of June 30, of each fiscal year. County laxes are paid quarterly on February 15, May 15, August 15, and November 15, to the County by the Borough. When applied taxes or any municipal lieu, or part thereof, on real property, remains in arrears on Nevember 11 in the ourross year. the collector in the municipality shall subject to the provisions of the New Jersey Statutes enforce the lien by placing the property on a las sale. Annual tax forcellosure proceedings are instituted to enforce the tax collection or acquisition of title to the property by the Florough. In accordance with the accounting principles prescribed by the State of New Jorsey, current and delinquent laxes are realized as revenue when collected. Since delinquent taxes and tiens are fully reserved, no provision has been made to estimate that portion of the taxes receivable and tax title tiens that are uncollectible. GAAF requires tax revenues to be recognized in the accounting period when they become susceptible to ancrual, reduced by an allowance for doubtful accounts.

#### NOTE I SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

C. Measurement Focus. Basis of Accounting and Basis of Presentation (Com'd)

Foreclosed Property - Foreclosed proporty is recorded in the Chryent Fund at the assessed valuation whon such property was acquired and is fully reserved.

interfinids - interfind receivables in the current fund are recorded with offsetting teserves which are created by charges to operations. Income is recognized in the year the receivables are realized. Interfund receivables in the other funds are not offset by reserves.

Insurance - Cost of insurance for all funds are recorded as expenditures at the time of payment. Insurance costs chargeable to future periods are not carried as prepayments.

Inventories of Supplies - The cost of inventories of supplies for all funds are recorded as expenditures at the time individual items are prochased. The cost of inventories are not included on the various balence sheets.

<u>Meneral Fixed Assets</u> - In accordance with Technical Accounting Directive No. 86-2, Accounting for Graciumental Fixed Assets, as promulgated by the Division of Local Government Services, which differs in certain respects from generally accepted accounting principles, the Borough has developed a fixed assets accounting and reporting system.

Fixed assets used in governmental operations (general fixed assets) are accounted for in the General Fixed Assets Account Group. Public domain ("infrastructure") general fixed assets consisting of certain improvements other than buildings, such as roads, bridges curbs and guiters, streets and adequalks and drainage systems are not capitalized.

All fixed assets are valued at historical cost or estimated historical cost if aemal historical cost is not available except for land which is valued at estimated market value.

No depreciation has been provided for in the financial statements.

Fixed assets acquired through grants in aid or contributed capital have not been accounted for senarately.

Accounting for utility final "fixed capital" remains unchanged under the Requirements of Tochmost Accounting Directive No. 85-2.

Property and equipment purchased by the Utility Funds are recorded in the capital accounts at cost and are adjusted for dispositions and abandonment. The amounts shown do not purport to represent reproduction costs or current value. Contributions in and of construction are not capitalized. The balance in the Reserve for Amortization and Deferred Reserve for Amortization accounts in the utility capital fond represent charges to operations for the costs of acquisitions of property, equipment and improvements. The utilities do not record depreciation of fixed assets.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates

Tax Appeals and Other Contingent Losses - Lusses which arise from tax appeals and other contingent tosses are recognized at the time an unitavorable decision is rendered by an administrative or judicial body.

#### NOTE 9 PENSION PLANS

Burough employees participate in one of the two contributory, defined benefit public employee cethernest systems; the State of New Jersey Public Employees' Retirement System (PERS) or the State of New Jersey Police and Firemen's Retirement System (PERS). New Jersey municipalities do not follow GAAP accounting principles and, as such, do not follow GASH requirements with respect to recording their proportionate share of the collective net pension hability, collective deferred outflows of resources, collective deferred inflows of resources, and collective pension expense on their financial statements. However, N.J.A.C. 5:30-6.1(c)(2) requires municipalities to disclose GASB 68 information in the Notes to Financial Statements.

#### A. Public Employees' Relirement System (PERS)

Plan Description - The State of New Jersey Public Employees' Retirement System (PERS) is a cost-sharing multiple-employer defined henefit pension plan administered by the State of New Jersey, Division of Pensions and Benefits (the Division). For additional information about the PERS, please refer to the Division's annual financial statements, which can be found at https://www.state.pi.us/treasury/pensions/annual-reports.shtml.

<u>Vesting Benefit Provisions</u> The vesting and benefit provisions are set by N.J.S.A. (3) 5A. PERS provides retirement, death and disability benefits. All benefits vest after ten years of service, except for medical benefits, which vest after 15 years of service or under the disability provisions of PERS. The following represents the membership tiers for PERS:

Definition

Members who were enrolled prior to July 1, 2007

Members who were eligible to enroll on or after July 1, 2007 and prior to November 2, 2008

Members who were eligible to enroll on or after November 2, 2008 and prior to May 22, 2010

Members who were eligible to enroll on or after May 22, 2010 and prior to June 28, 2011

Members who were eligible to enroll on or after June 28, 2011

Service retirement benefits of 1/55th of final average salary for each year of service credit is available to Tiers 1 and 2 members upon reaching age 60 and to Tier 3 members upon reaching age 62. Service retirement benefits of 1/60th of final average salary for each year of service credit is available to Tier 4 members upon reaching age 62 and to Tier 5 members upon reaching age 65. Early retirement benefits are available to Tiers 1 and 2 members before reaching age 60. to Tiers 3 and 4 before age 62 with 25 or more years of service credit and Tier 5 with 30 or more years of service credit before age 65. Benefits are reduced by a fraction of a percent for each month that a member retires prior to the age at which a member can receive full early retirement benefits in accordance with their respective tier. Then I members can receive an unreduced benefit from age 55 to age 60 if they have a least 25 years of service. Deferred retirement is available to members who have at least 10 years of service credit and have not peached the service retirement age for the respective tier.

Contributions—The contribution policy for PERS is set by N.J.S. A. 43 15A and requires contributions by active members and contributing Elembers. The Local employers' contribution amounts are based on at actuarially determined rate which includes the normal cost and infunded accrued liability. Chapter 19, P.L. 2009 provided an option for local employers of PERS in contribute 50% of the normal and accrued liability contribution amounts certified for payments due in the State fiscal year 2009. Such employers will be credited with the full payment and any such amounts will not be included in their enfunded liability. The actuaries will determine the unfunded liability of those retrement systems, by employer, for the reduced normal and accrued liability contributions provided under this law. This unfinded liability will be paid by the employer in level annual payments over a period of 15 years beginning with the payments due to the fiscal year ended June 30, 2012 and will be adjusted by the rate of return on fits actuarial value of assets. The Burough's contributions to PERS which are based upon annual billings received from the state, amounted to \$354,035.00 for 2022, \$304,527.00 for 2021 and \$273,035.82 for 2020.

<u>Discount Rate</u> - The discount rate used to measure the total pension liabilities of the PERS as of June 30, 2022 and 2021, as reported for the years ended Desember 31, 2022 and 2021, respectively, are summarized in the following.

June 30, 2622. The discount rate used to measure the total pension dability was 7.00%. The projection of each laws used to determine the discount rate assumed that contributions from plan members will be made at the correct member contribution rates and that contributions from employers and the nonemployer contributing entity will be based on 100% of the actuantally determined contributions for the State employer and 100% of actuarially determined contributions for the local employers. Based on those assumptions, the plan's fiduciary per position was projected to be available to make all projected future bouchs, payments of current plan members. Therefore, the long-term expected rate of return on plan investments was applied to all projected benefit payments to determine the total pension liability.

Instell 30, 2021 - The discount rate used to measure the total pension liability was 7,00%. The projection of each flows used to determine the discount rate assumed that contributions from plan members will be made at the current member contribution rates and that contributions from employers and the nonemployer contributing entity will be based on 100% of the actuarially determined contributions for the State employer and 100% of actuarially determined contributions for the local employers. Based on those assumptions, the plants fiduciary not position was projected to be available to make all projected future basefut payments of current plan members. Therefore, the long-term expected rate of return on plan investments was applied to all projected benefit payments to determine the total pension liability.

#### B. Police and Foremen's Retirement System (PFRS) (Contid)

Discount Rate - The discount rate used to measure the total pension liability was 7,00% as of June 30, 2021 respectively. The projection of cash flows used to accommend the discount rate assumed that contributions from plan members will be made at the contributions from employers and the contemployer contributions from employers and the contemployer contributions untilly determined contributions for the State employer and 100% of actuarially determined contributions for the local employers. Based on those assumptions, the plants fiduciary set position was projected to be available to make all projected finance benefit payments of current plan members. Therefore, the long-form expected rate of return on plan investments was applied to all projected benefit payments to determine the total pension liability.

Sensitivity of Net Pension Liability. The following presents the Borough's proportionate share of the PFRS net pension liability as of December 31, 2022 and 2021 calculated using the discount rate of 7.00% respectively, as well as what the Borough's proportionate share of the PFRS net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower 6.00% respectively, or 1 performage-point higher 8.00%, respectively, than the current rate:

PFRS Not Pression Liability	\$ <u>5,264,556.00</u>	\$3,725,461,00	\$2,820,558.00

The sensitivity analysis was based on the proportionate share of the Borough's net pension liability as December 31, 2022 and 2021. A sensitivity analysis specific to the Borough's net pension liability was not provided by the pension system.

Special Funding Situation. Under N.J.S.A. 43.16A-15, the Borough is responsible for their own PFRS contributions based on actuarially determined amounts, except where legislation was passed which legally obligated the State to make contributions if certain circumstances occurred. The legislation which legally obligates the State is as follows: Chapter 8, P.L. 2000, Chapter 318, P.L. 2001. Chapter 86, P.L. 2001. Chapter 511, P.L. 1991. Chapter 109, P.L. 1979. Chapter 247, P.L. 1993 and Chapter 201, P.L. 2001. The amounts contributed on-behalf of the Borough by the State under this legislation is considered to be a special funding situation as defined by GASB Statement No. 68 and the State is treated as a noncomployer contributing entity. Accordingly, the Borough's proportionate share percentage of the net pension liability, deferred outflows and inflows determined under GASB Statement No. 68 as zero percent and the State's proportionate space is 100% for PFRS under this legislation.

#### General Information about the OPED Plan

<u>Plan Description and Biopelits Provided</u> - The Bore igh does not provide posteripleyment besetits to its retirees, however, the State of New Jersey (the "State") provides these benefits to certain Horongo retirees and their dependents under a special funding rituation as described below

The State of New Jersey, on-behalf of the Borough, contributes to the State Health Renefits Local Government Retired Employees Plan (the 'Plan'), which is a cost-sharing multiple-employer defined benefit other pastemployment benefit (OPED) plan with a special funding situation. It covers employees of local government employers that have adopted a resolution to participate in the Plan. The Plan meets the definition of an equivalent arrangement as defined in paragraph 4 of GASB Statement No. 75, decompling and bluencial Reporting for the Postemployment Benefits Other Than Pensions (GASB Statement No. 75), therefore, assets are accumulated to pay associated benefits. For additional information about the Plan, please refer to the State of New Jersey (the State), Division of Pensions and Benefits (the Division) annual financial statements which can be found at http://www.state.nj.cs/tressury/pensions/financial-reports.shuml

The Plait provides medical and prescription drug benefit coverage to retirees and their covered dependents of the employers. Under the provide not Chapter 88, P.L. 1974 and Chapter 48, P.L. 1999 local government employers electing to provide postretirement medical coverage to their employees must file a resolution with the Division. Under Chapter 88, local employers afect to provide benefit coverage based on the digibility rules and regulations promulgated by the State Realth Benefits Commission.

#### Plan Description and Benefits Provided (Cont'd)

Chapter 48 allows local employers to establish their own age and service eligibility for employer paid health benefits coverage for retired employees. Under Chapter 48, the employer may assume the cost of postretirement medical coverage for employees and their dependents who: 1) retired on a disability position; or 2) retired with 25 or more years of service credit in a State or locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement as established by the employer, or 3) retired and reached the age of 65 with 25 or more years of service credit to a State or locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement as established by the employer or 4) retired and reached age 62 with at least 15 years of service with the employer. Further, the law provides that the employer paid obligations for retired coverage may be determined by means of a collective negotiations agreement.

In accordance with Chapter 330, F.L. 1997, which is conlifted in N.J.S. A. 52:14-17-32i, the State provider medical and prescription coverage to local police officers and fire lighters, who retire with the 25 years of service or not a disability from an employer who does not provide postretirement medical coverage. Local employers were required to file a resolution with the Division to order for their employees to qualify for State-poid retires health benefits coverage under Chapter 330. The State also provides funding for retired health benefits in survivors of local police of local polices and firefighters who die in the line of daty under Chapter 271, F.L. 1989.

Pursuant to Chapter 78. P.1., 2011, Tuture retirees eligible for postretirement medical coverage who have less than 20 years of creditable service on June 28. 2011 will be required to pay a percentage of the cost of their health care coverage in retirement provided they retire with 25 or more years of pension service credit. The percentage of the premium for which the retiree will be responsible will be determined based on the retiree's annual retirement benefit and level of coverage.

Contribution - The funding policy for the OPBB plan is pay as you-go; therefore, there is no pretituding of the liability. However, due to promium rates being set prior to each calcular your, there is a minimal amount of not position available to cover benefits in future years. Contributions to pay for the health generit premiums of participating employees in the OPBB plan are collected from the State of New Jersey, participating local employers, and retired members.

Special Funding Situation Component - The State of New Jersey makes contributions in cover those employees eligible under Chapter 330, P.L. 1997, as disclosed below. Local employers remit employee contributions on a monthly basis. Retired member contributions are generally received on a monthly basis. Partially funded benefits are also available to focal police officers and Englishers who retire with 25 years of xervice or on disability from an employer who does not provide coverage under the provisions of Chapter 330, P.L. 1997. Upon retirement, these individuals must enroll in the OPEB plan.

Under Chapter 330, P. L. 1907 the State shall pay the premions or periodic charges for the qualified local police and firefighter retirees and dependents equal in 80% of the premion or periodic charge for the category of roverage elected by the qualified retires under the State managed care plan or a health maintenance organization participating in the program providing the lowest premium or periodic charge. The State also provides funding for retiree health benefits to survivors of local police officers and firefighters who die in the line of duty under Chapter 271, P.1. 1989.

Special Funding Situation Compount (Cont'ii)

Therefore, the Horough is considered to be in a special funding situation as defined by GASB Statement. No. 75 and the State is treated as a nonemployer contributing entity. Since the Borough noss not contribute under this legislation directly to the Plan, there is no not OPEB liability, deferred outflows of resources or report in the financial statements of the local participating employers related to this legislation. However, the Borough is required to disclose:

- the State's proportion (percentage) of the collective not OPEB liability that is associated with the Borough.
- the State's proport; onate share of the collective net OPEB liability that is associated with the Borough, and
- d) the State's proportionate share of the OPEB expense that is associated with the Borough.

The amount of actual contributions to the OPEB Plan made by the State, on-behalf of the Horengis, is not known, between under the Special Funding Situation, the State's OPI'B expense, on-behalf of the Berough, is (\$1,043,467,00) for the year ended December 31, 2022.

#### OPER Liability and OPER Expense

OPEB Liability - At December 31, 2021 the Sinte's proportionate Share of the net OPEB liability associated with the Borough is \$6,361,790,00. The net OPEB liability was measured as of June 30, 2022, and the total OPEB liability used to calculated the net OPEB liability was determined by an actuarial valuation as of June 30, 2021, which was rolled forward to June 30, 2022.

The State's proportion of the net OPRB liability, on-behalf of the Borough, was based on the ratio of the plan members of an individual employer to the rotal members of the Plan's special funding situation during the measurement period July 1, 2020 through June 30, 2021. For the June 30, 2022 measurement date, the State's proportion on-behalf of the Borough was 0.188564% which was an increase of 0.003907% from its proportion measured as of the June 30, 2021 measurement date.

OPEB fixpense - Ar December 31, 2021, the State's proportionate share of the OPEB expense, associated with the Borough, calculated by the Plan as of the June 30, 2021 measurement date, is (\$1,043,467.00). This on-behalf expense is not recognized by the Borough because of the regulatory basis of accounting as described in note 1.

#### NOTE 12 COMPENSATED ABSENCES

Under the existing policies and labor agreements of the Borough, employees are allowed to accumulate (with certain restrictions) unused vacation benefits and sick leave over the life of their working careers and to redress such unused (exce time in each (with certain limitations) upon death, retirement or by extended absence immediately preceding retirement.

It is estimated that the current cost of such unpaid compensation and salary related payments would approximate \$1,111,345.67 and \$943,155.18 at December 31, 2022 and 2021, respectively. Payments are made as required. The above amounts are not required to be recorded on the financial statements per requirements of the Division of Local Government Services, Department of Community Affairs, States of New Jersey

#### NOTE 13 DEFERRED COMPENSATION PROGRAM

The Borough offers its employees a deferred compensation plan created in accordance with Section 457 of the Internal Revenue Code of 1986, as amended. The deferred compensation is not available to employees or beneficiaries until termination of employment, retirement, death or occurrence of an unforeseeable emergency. Barnings of the Plan and contributions by employees are invested and are exempt from income taxes until distributed to the participating employees.

The "Small Business Job Protection Act of 2000 changed Section 457 of the Federal Internal Revenue Code to require that all Finds deferred be held in trust, custodial account of summity contract for the exclusive benefit of the plan participants and their buneficiness. The plan assets would not be subject to the employer's creditors.

This requirement has been translated into New Jersey law with an amendment to N.J.S.A. 43:15B-5 which now requires that the funds be held in a trust, custodial account or annuty contract for the exclusive benefit of participating employees and their beneficiaries. This condition applies to all plans implemented subsequent to August 20, 1999. For plans in existence prior to August 20, 2000, the local government units had until January 1, 2001 to implement the "exclusive benefit" requirement of the Code revisions. However, until the revisions were made, the assets deferred were still subject to the local government's general creditors.

The plun was amended offeetive January 1, 1998 to comply with the above requirements. Accordingly, plan assets and the related liability are not included in the balance about of the trust fund of the Berough.

The plan administrators and amount of Junds are as follows:

The Borough is exposed to various risks of loss related to tort, theft of, damage to, and destruction of assets; errors and omissions, injuries to employees; and natural disasters.

Property and Liability Insurance - The Borough maintains commercial insurance coverage for property liability, accident and surely bonds.

#### NOTE 14 RISK MANAGEMENT (Cont'd)

New Jersey Unemployment Compensation Insurance - The Borough has elected to fund its New Jersey Unemployment Compensation Insurance under the "Benefit Reimbursement Method". Under this plan, the Borough is required to reimburse the New Jersey Unemployment Trust Fund for benefits paid to its former employees and charged to its account with the State. The Borough is billed quarterly for amounts due to the State. A schedule of the Unemployment Compensation Fund can be found in the Trust Fund section of the Financial Statements:

#### NOTE 15 CONTINGENT LIABILITIES

From time to time, the Borough is a defendant in legal proceedings relating to its operations as a municipality, in the best judgment of the Borough's management, the outcome of any present legal proceedings will not have any adverse material officer on the accompanying financial statements.

Federal and State Awards. The Horough participates is a number of federal and state programs that are fully or partially funded by grants received from other governmental units. Expanditures financed by grants are subject to audit by the appropriate granter government. If expenditures are disallowed due to noncompliance with grant program regulations, the Borough may be required to reimburse the granton government. As of December 31, 2022 and 2021, significant amounts of grant expenditure have not been audited by the various granter agencies but the Borough believes that disallowed expenditures, if any, based on subsequent audits will not have a material effect on the overall financial position of the Borough.

#### NOTE IN INTERFUND BALANCES

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH COVERNMENT AUDITING STANDARDS

To the Honorable Mayor and Council
Berough of Manasquan
County of Monmouth
Manasquan, New Jersey

We have audited, in accordance with the suditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards issued by the Composition General of the United States and surat requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, the Financial statements - regulatory has is of the Borough of Manasquan, in the County of Monmouth, State of New Jersey; (herein returned to as "the Borough"), as of sad for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the Borough's basic linancial statements, and have rested our report thereon dated September 29, 2023. In that report we expressed an adverse opinion on the conformity of the statements with accounting principles generally accepted in the United States of America due to the differences between those principles and the trumcal reporting provisions of the regulatory basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey and a qualified opinion on the regulatory basis since we did not suffit and the Division does not require the Length of Service Award Program (LOSAP) to be audited.

#### Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements- regulatory basis, we considered the Borough's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate to the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Borough's internal control. Accordingly, we do not express an opinion on the effectiveness of the Borough's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or dotect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's linaucial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important abough to ment attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified

#### Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Borough's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our addit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of monoampliance or other matters that are required to be reported under Government Auditing Standards and audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. We noted certain matters that we have reported to the management of the Borough of Manasquan in the accompanying Comments and Recommendations Section of this report.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control of on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

### GENERAL COMMENTS AND RECOMMENDATIONS

## General Comments Year Unded December 31, 2022

As audit of the financial accounts and transactions of the Borough of Manasquan, in the County of Monmouth, for the year ended December 31, 2022, has recently been complated. The results of the sudit are herewith set forth.

#### SCOPE OF AUDIT

The audit covered the financial transactions of the Chief Financial Officer's office, the activities of the Mayor and Council and the records of the various outside departments.

The miditalid not and could not determine the character of services rendered for which payment had been made or for which reserves had been set up, nor could it determine the character, proper price or quantity of materials supplied for which claims had been passed.

Cash balances were reconciled with undependent certifications domined directly from the depositories.

Revenues and receipts were established and verified as to source and amount insofar as the records permitted.

Our audit was made in accordance with generally accepted auditing standards and in compliance with the requirements prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey and Government Auditing Standards, issued by the Comptraber General of the United States. Therefore, our audit included the procedures noted above as well as tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

#### CONTRACTS AND AGREEMENTS REQUIRED TO BE ADVERTISED FOR N.J.S. 40A: 11-4

N.LS. 40 A (11.4 states "Every contract or spreament, for the performance of any work or the lumishing or biring of any materials or supplies, the cost or the contract price whereof is to be paid with or out of public funds not included within the terms of Section 3 of this act, shall be made or awarded only after public advertising for bids and bidding therefore, except as is provided otherwise in this act or specifically by any other law. No work, materials or supplies shall be undertaken, acquired or familiated for a sum exceeding the aggregate \$17,500.00, except by contract or agreement". Effective July 1, 2020 the bid threshold was raised in accordance with N.LS.A. 40A:11-3 to \$44,000.00 with a qualified purchasing agent.

The governing body of the Municipality has the responsibility of determining whether the expenditures in any category will exceed the limits within the fiscal year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Borough Counsel's opinion should be sought before a commitment is made.

The injuries indicate that bids were requested by public advertising for the following items:

Borough Hall Parking Lot Improvements
Solid Waste Collection Services
Recycling Material Collection, Romoval and Disposal
Water Treatment Plant Chemical Food Modification Project

The minutes and vanchers indicate compliance with the Local Public Contract Law M.J.S. 40A:11-6:11 for the purchase of materials and services between \$6,600,00 and the hid limit.

#### CONTRAC'IS AND AGREEMENTS REQUIRED TO BE ADVERTISED FOR N.J.S. 40:11-4- (continued)

The minutes indicate that the resolution were adopted and advertised authorizing the awarding of contract arrangements for "Professional Services" per N.J.S. 40A:11-5.

In as much as the system of records did not provide for an accumulation of payments for categories for the performance of any work or the furnishing or hiring of any materials or supplies, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear out violations existed and my examination of expenditures did not reveal any individual payments, contracts or agreements to excess of the bid limit "for the performance of any work or the furnishing or biring of any materials or supplies", other than those where bids had been previously adopted under the provision of P.J.S. 40A:11-6.

#### COLLECTION OF INTEREST ON DELINQUENT TAXLS AND ASSESSMENTS

The statute provides the method for authorizing interest and the maximum rates to be charged for the nonpayment of taxes or assessments on or before the date when they would become delinquent.

The governing body on January 3, 2022 adopted a resolution authorizing interest to be charged on delinquent taxes as follows:

Delinquent Taxes 8% per armum for first \$1,500,00 of delinquency and 18% per armum on any amount in excess of \$1,500,00 Delinquent Water and Sewer Charges - 8% Tax Title Liens - 18%

In addition thereto the Collector of Taxes and Water and Sower Roms was authorized to charge a 5% penalty on the sum of all delinquest taxes, interest and municipal charges on a given parcel of property in excess of \$10,000,00.

Also the Collector of Taxes and Water and Sewer Rents was authorized to warve interest charges on taxes, it payment is made within ten days after the date on which the taxes become payable.

It appears from an examination of the Collector's records on a cat-check basis that interest was collected by accordance with the foregoing resolution.

FORMS OF APPROVING LEGAL OPINIONS OF BOND COUNSEL

, 2024

Borough Council of the Borough of Manasquan, in the County of Monmouth, New Jersey

**Dear Council Members:** 

We have acted as bond counsel to the Borough of Manasquan, in the County of Monmouth, New Jersey (the "Borough"), in connection with the issuance by the Borough of its \$6,511,000 Bond Anticipation Note, dated the date hereof (the "Note"). In order to render the opinions herein, we have examined laws, documents and records of proceedings, or copies thereof, certified or otherwise identified to us as we have deemed necessary.

The Note is issued pursuant to the Local Bond Law of the State of New Jersey and the bond ordinances of the Borough listed in the Certificate of Determination and Award prepared in connection with this issue, each in all respects duly approved and published as required by law. The Note is a temporary obligation issued in anticipation of the issuance of bonds.

In our opinion, except insofar as the enforcement thereof may be limited by any applicable bankruptcy, moratorium or similar laws or application by a court of competent jurisdiction of legal or equitable principles relating to the enforcement of creditors' rights, the Note is a valid and legally binding obligation of the Borough, and the Borough has the power and is obligated to levy ad valorem taxes upon all the taxable property within the Borough for the payment of the Note and the interest thereon without limitation as to rate or amount if the Note is not paid from other sources.

On the date hereof, the Borough has covenanted in its Arbitrage and Tax Certificate (the "Certificate") to comply with certain continuing requirements that must be satisfied subsequent to the issuance of the Note in order to preserve the tax-exempt status of the Note pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"). Pursuant to Section 103 of the Code, failure to comply with these requirements could cause interest on the Note to be included in gross income for federal income tax purposes retroactive to the date of issuance of the Note. In the event that the Borough continuously complies with its covenants and in reliance on representations, certifications of fact and statements of reasonable expectations made by the Borough in the Certificate, it is our opinion that, under existing law, interest on the Note is excluded from gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Code, and interest on the Note is not an item of tax preference under Section 57 of the Code for purposes of computing alternative minimum tax; however, interest on the Note is included in the "adjusted financial statement income" of certain corporations that are subject to

alternative minimum tax under Section 55 of the Code. We express no opinion regarding other federal tax consequences arising with respect to the Note. Further, in our opinion, based upon existing law, interest on the Note and any gain on the sale thereof are not included in gross income under the New Jersey Gross Income Tax Act. These opinions are based on existing statutes, regulations, administrative pronouncements and judicial decisions.

This opinion is issued as of the date hereof. We assume no obligation to update, revise or supplement this opinion to reflect any facts or circumstances that may come to our attention or any changes in law or interpretations thereof that may occur after the date of this opinion or for any reason whatsoever.

Very truly yours,

Borough Council of the Borough of Manasquan, in the County of Monmouth, New Jersey

**Dear Council Members:** 

We have acted as bond counsel to the Borough of Manasquan, in the County of Monmouth, New Jersey (the "Borough"), in connection with the issuance by the Borough of its \$2,542,775 Bond Anticipation Note, dated the date hereof (the "Note"). In order to render the opinions herein, we have examined laws, documents and records of proceedings, or copies thereof, certified or otherwise identified to us as we have deemed necessary.

The Note is issued pursuant to the Local Bond Law of the State of New Jersey and the bond ordinances of the Borough listed in the Certificate of Determination and Award prepared in connection with this issue, each in all respects duly approved and published as required by law. The Note is a temporary obligation issued in anticipation of the issuance of bonds.

In our opinion, except insofar as the enforcement thereof may be limited by any applicable bankruptcy, moratorium or similar laws or application by a court of competent jurisdiction of legal or equitable principles relating to the enforcement of creditors' rights, the Note is a valid and legally binding obligation of the Borough, and the Borough has the power and is obligated to levy ad valorem taxes upon all the taxable property within the Borough for the payment of the Note and the interest thereon without limitation as to rate or amount if the Note is not paid from other sources.

On the date hereof, the Borough has covenanted in its Arbitrage and Tax Certificate (the "Certificate") to comply with certain continuing requirements that must be satisfied subsequent to the issuance of the Note in order to preserve the tax-exempt status of the Note pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"). Pursuant to Section 103 of the Code, failure to comply with these requirements could cause interest on the Note to be included in gross income for federal income tax purposes retroactive to the date of issuance of the Note. In the event that the Borough continuously complies with its covenants and in reliance on representations, certifications of fact and statements of reasonable expectations made by the Borough in the Certificate, it is our opinion that, under existing law, interest on the Note is excluded from gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Code, and interest on the Note is not an item of tax preference under Section 57 of the Code for purposes of computing alternative minimum tax; however, interest on the Note is included in the "adjusted financial statement income" of certain corporations that are subject to

alternative minimum tax under Section 55 of the Code. We express no opinion regarding other federal tax consequences arising with respect to the Note. Further, in our opinion, based upon existing law, interest on the Note and any gain on the sale thereof are not included in gross income under the New Jersey Gross Income Tax Act. These opinions are based on existing statutes, regulations, administrative pronouncements and judicial decisions.

This opinion is issued as of the date hereof. We assume no obligation to update, revise or supplement this opinion to reflect any facts or circumstances that may come to our attention or any changes in law or interpretations thereof that may occur after the date of this opinion or for any reason whatsoever.
